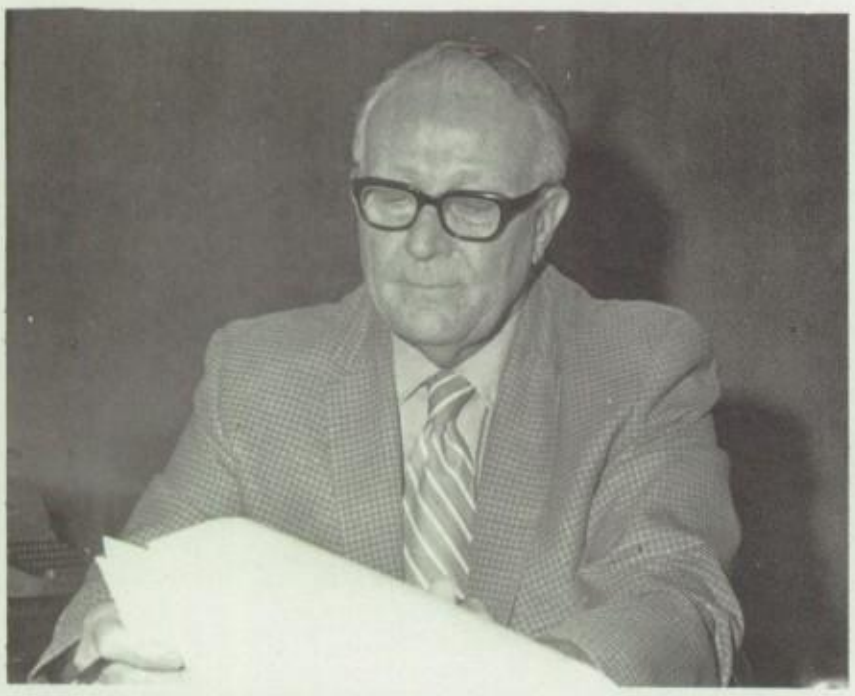
Administration . . . the Door Is Always Open

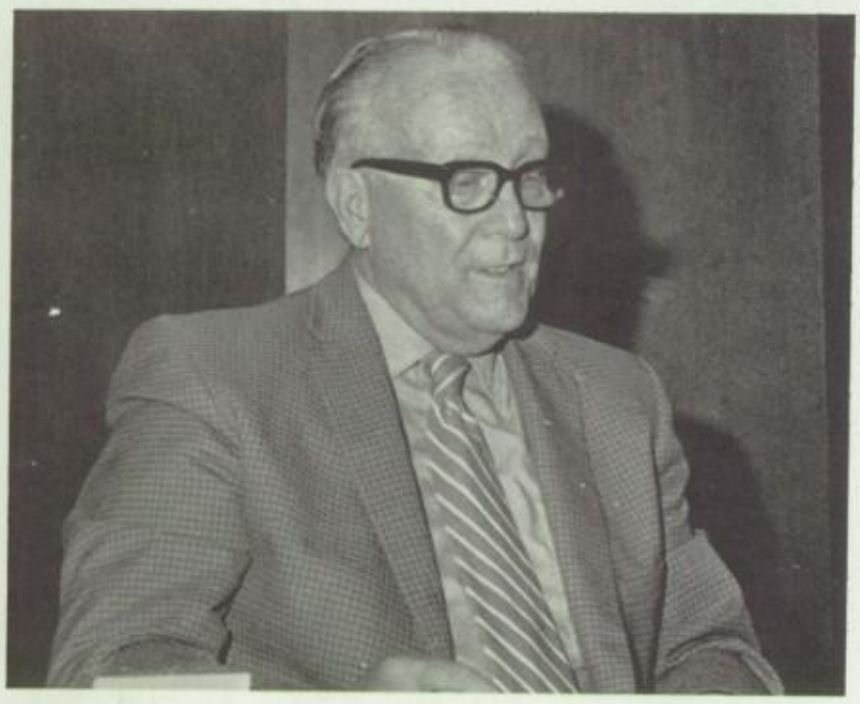
At right is Superintendent of Fort Worth Public Schools, Julius Truelson. Below are the members of the School Board: Mrs. Carey R. Snyder, Rev. John Leatherbury, Mr. Bill J. Elliott, Mr. Loyd L. Turner, Mr. Jim Harris, Mr. Green B. Trimble, and Mr. Bobby L. Bruner.

ad min is tra tion, n. — the persons collectively who are entrusted with the executive duties of an institution. In addition to the School Board and Superintendent of Fort Worth Public Schools Julius Truelson, Western Hills has a new principal. Mr. P. B. Stovall has undertaken the difficult task of guiding a student body of nearly 2,000 students. Returning from last year are vice-principals Mrs. Frances Alles and Mr. Nick Ruggieri.

When interviewed, Mr. Ruggieri (above), former vice-principal at Meadowbrook Junior High, said that he enjoys working at WHHS because the students are older and have better judgment.
At right with Mr. Ruggieri at a football game is Mrs. Alles, vice-principal and coordinator of scheduling procedures.

New Principal Directs School's Third Year



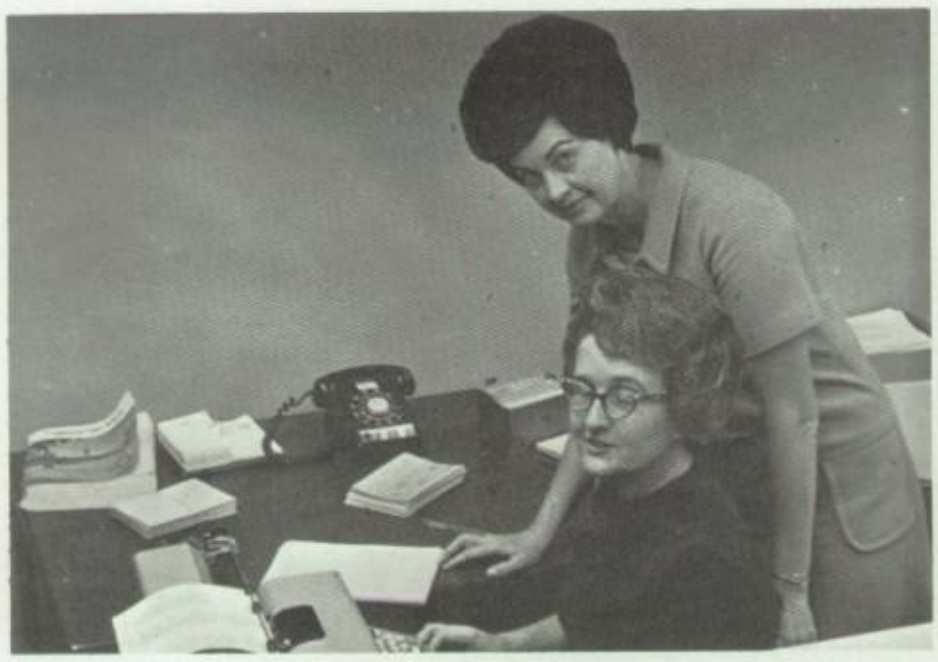


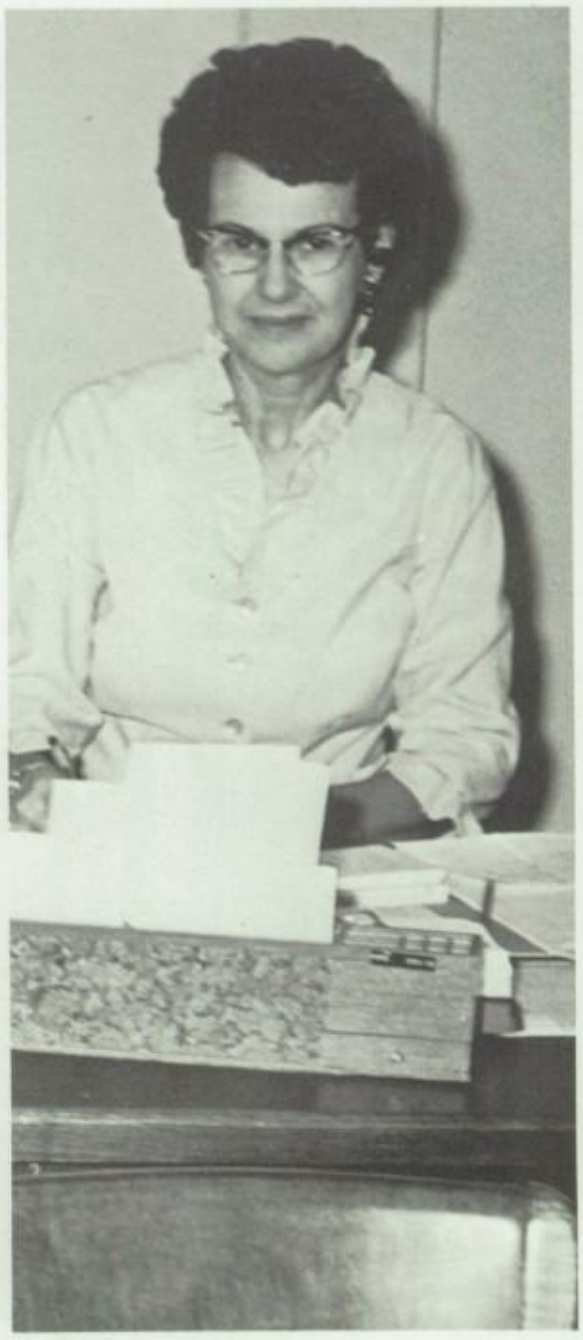
In an interview with Mr. Stovall, he expressed a need to upgrade the understanding of the student through a stronger student council and direct communication. "My door is always open," but Mr. Stovall will not tolerate pressure groups. He believes in the three F's — be fair, firm, and friendly.

Office Staff Hopes for One Less Phone to Answer

staff, n. — a body of assistants to the officers of administration and instruction of an educational institution. Staffs of the attendance office and the main office handle the clerical work required at Western Hills. Selection of each student's courses is directed by the counseling office. The library provided reference books, and fiction and non-fiction books to enable students to complete assignments. Tapes and films are also available for study aids and enjoyment.

Mrs. Hazel Craig (right) is in charge of obtaining substitutes and working with the computer for grading purposes. Mrs. Gladys Wallace and Mrs. Madge Prince (below) maintain the attendance office and work in the main office. Mrs. Tommie Dodrill (bottom left) is registrar and money keeper. Mrs. Bessie Thomas and Mrs. Billie Prince answer telephones, type letters, and provide aspirin for the faculty.





(Upper left) Mrs. Atwood, the school nurse, works with Ethel McCoy and Pat Brunson. Top right is the sympathetic face of the head counselor, Mrs. Bradley. Above, the librarian reads at her desk. At left, are two new counselors, Mrs. Edwards and Mr. Polson.

"Happiness is the by-product of doing for others," says Mrs. Frost (above). Miss Rehm (right) is the new Spanish teacher.

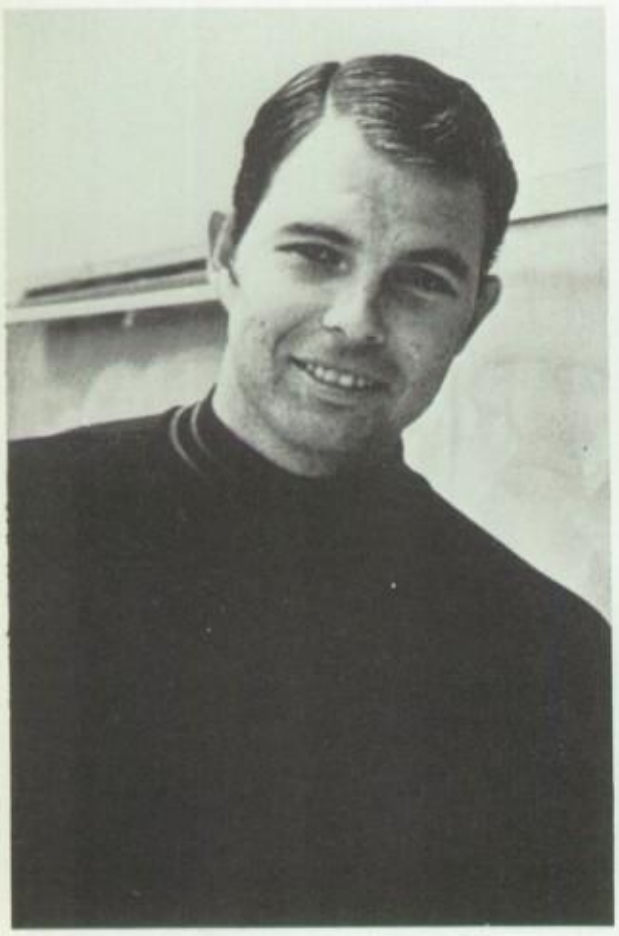
Foreign Language Students Travel Through Germany, France, Mexico, and Ancient Rome

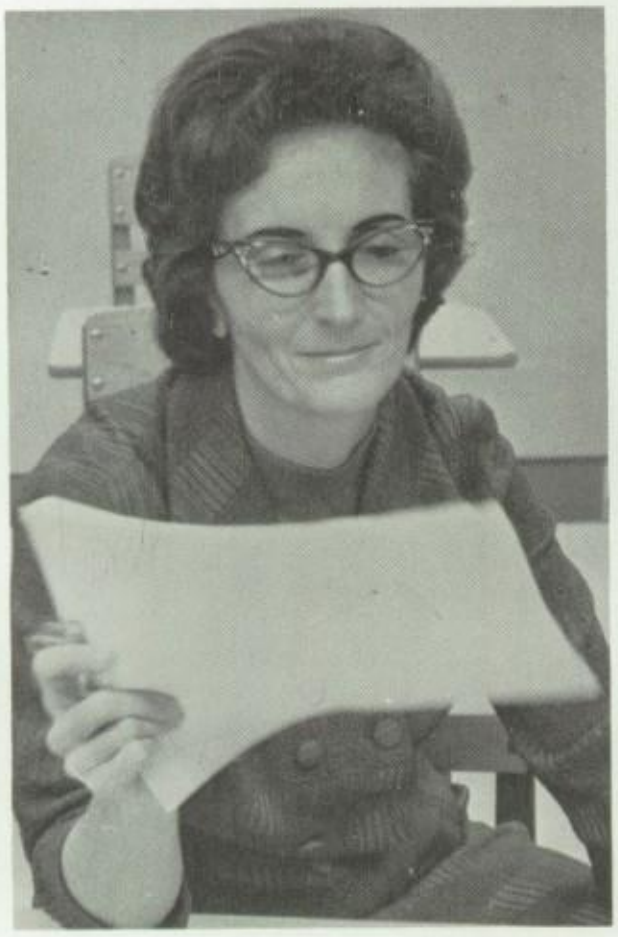
for eign, adj. — related to, or dealing with, other countries. The foreign language department promotes universal unity by offering courses in French, Spanish, German, and Latin. This year the department added one new teacher and increased the number of courses offered.

Miss Christopher (top left) is shown playing student in her Spanish class. Mrs. Wray (left) grins in the lounge. Helping a French student (above) is Mrs. Absher.

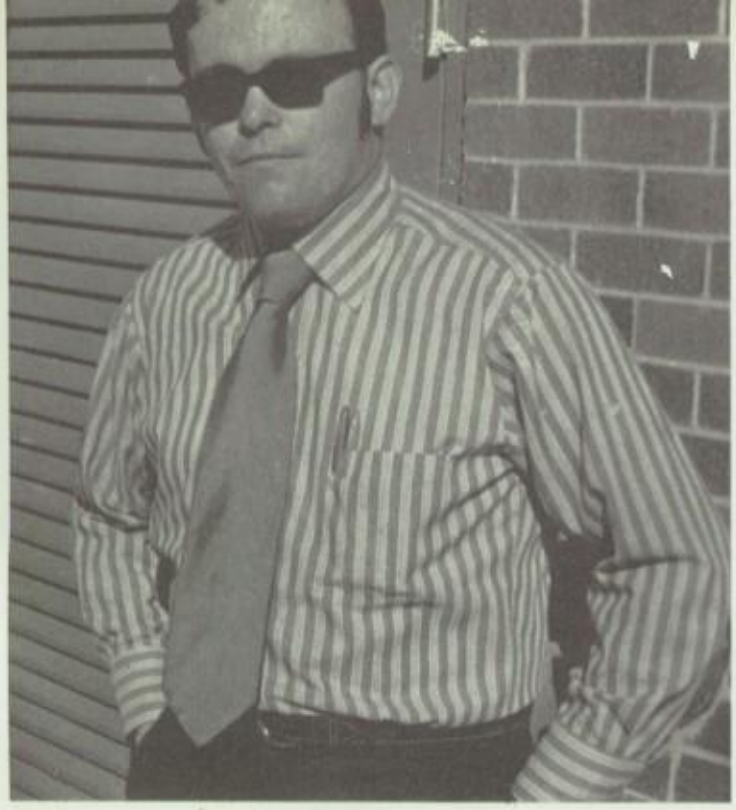
History Department Delves Into Past

his to ry, n. — a systematic written account of events, particularly of those affecting a nation. While our world rapidly changes, the Western Hills history department tries to relate present conditions to interesting facts from the past. Courses include world history, American history, Texas history, and government.

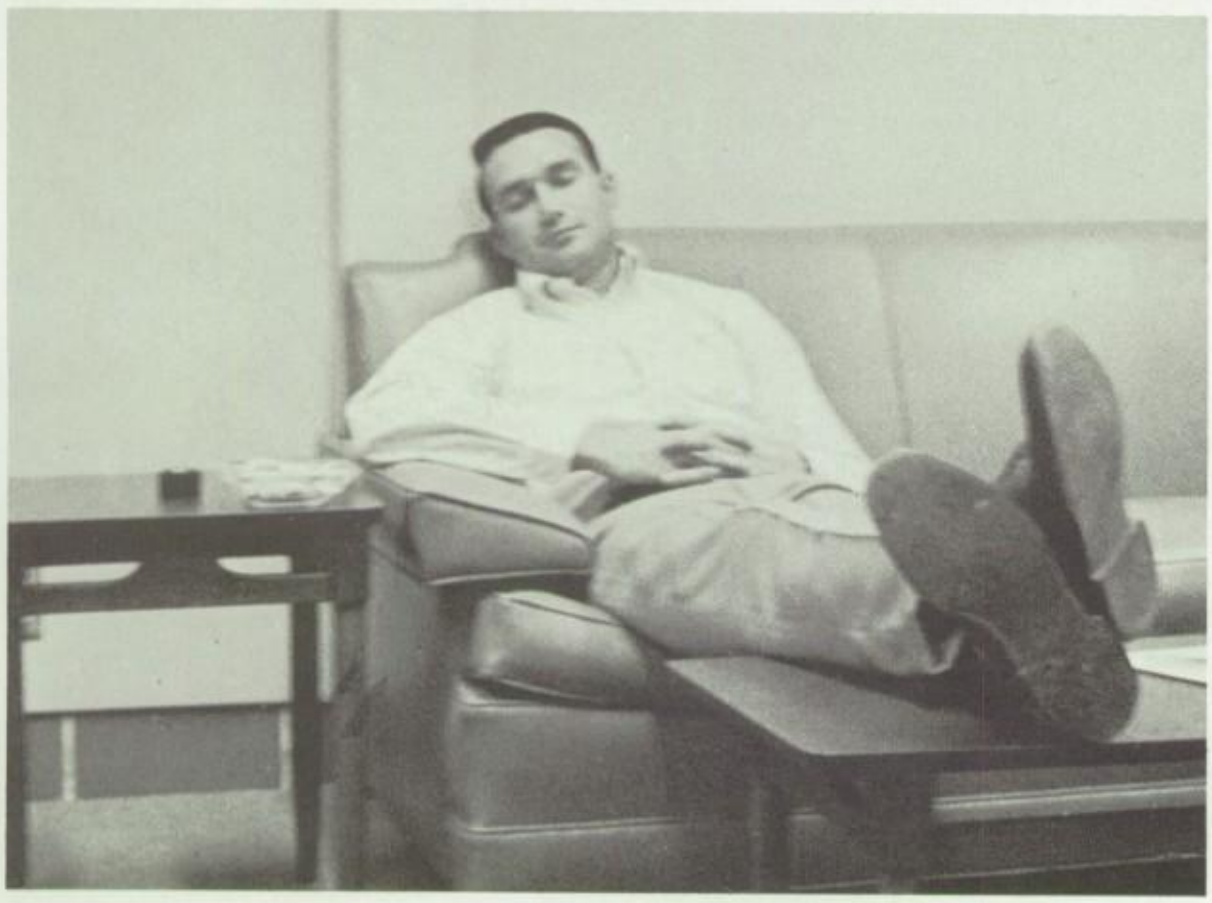




Mrs. Niesen's (top) motto comes from Philippians 4:11, "For I have learned, whatsoever state I am in therewith to be content." Her smiling cohort is Ricky Larson. Far left is the ever-smiling face of Mr. Helbing. Mrs. Wenzel (above center) remembers a student who got stuck in a trash can. Striking a pose on the patio (far right) is Mr. Cole.



Mr. Strother (left) became a teacher because "There is a whole world out there where the price of hair spray, panty hose, bad hamburgers, and motorcycle oil aren't the pressing issues of the day. Go Look At It!" The cluster of Mr. Lee, Miss Griffin, and Mr. Metcalf (below left) pose outside the cafeteria. Mr. McLain (bottom) recovers from his classes.



Students Note Theory and Performance in Fine Art Courses

fine arts, n. — painting, drawing, sculpture, music, poetry, and dramatic arts. Ed Curry, in the art department, encourages the creative abilities of his students. Jerry Jones, head of the music department, directs his students in the orchestra, marching band, and stage band. In speech and drama, Mrs. Stedham and Mrs. McCulloh instruct students in public speaking and dramatic arts.

These pictures capture the varied expressions of Mr. Jones during music class.

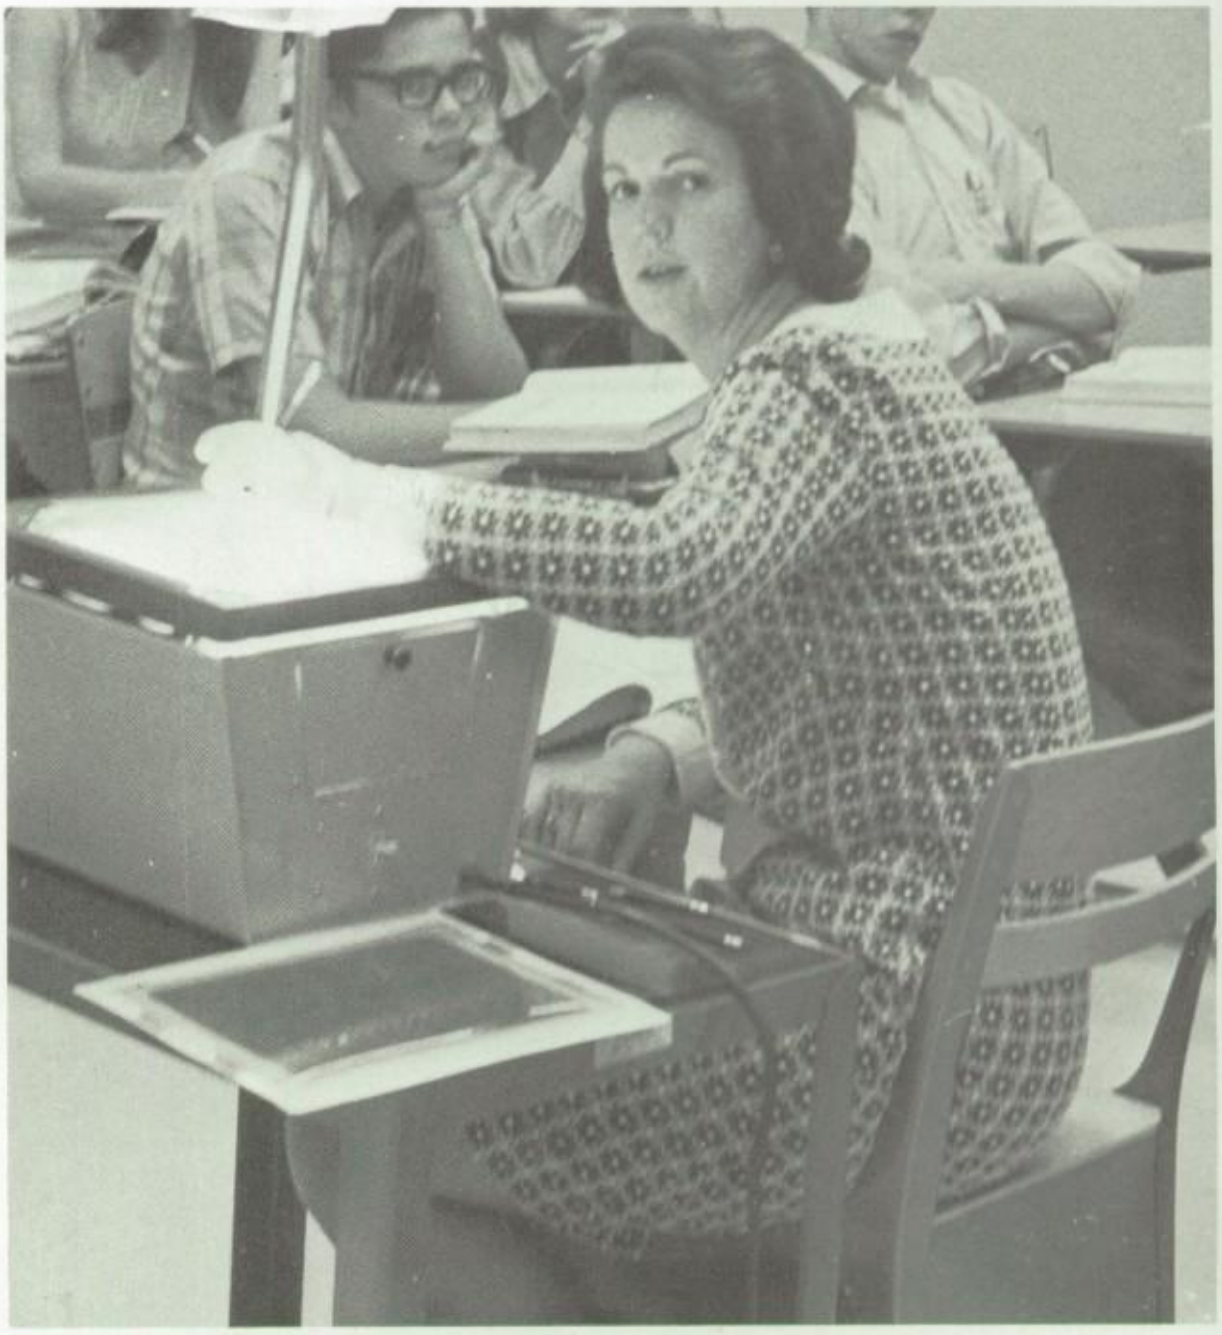
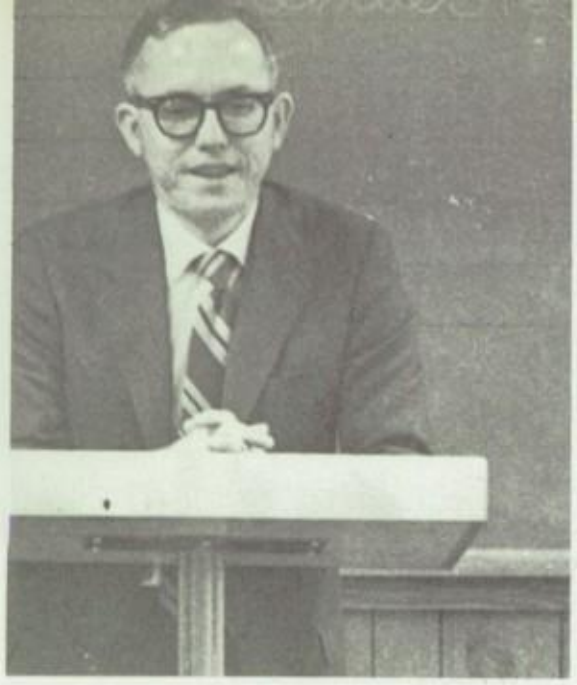
Mrs. McCulloh (top) remembers a student who successfully put a BB in his ear, and who is now Attorney General of New Mexico! Mr. Curry (center) would like to be remembered by his students for inspiring creative work and responsible living. Mrs. Stedham (left) helps Marilyn Baker during speech class.

Interest in Math Multiplies as Variety of Courses Increase

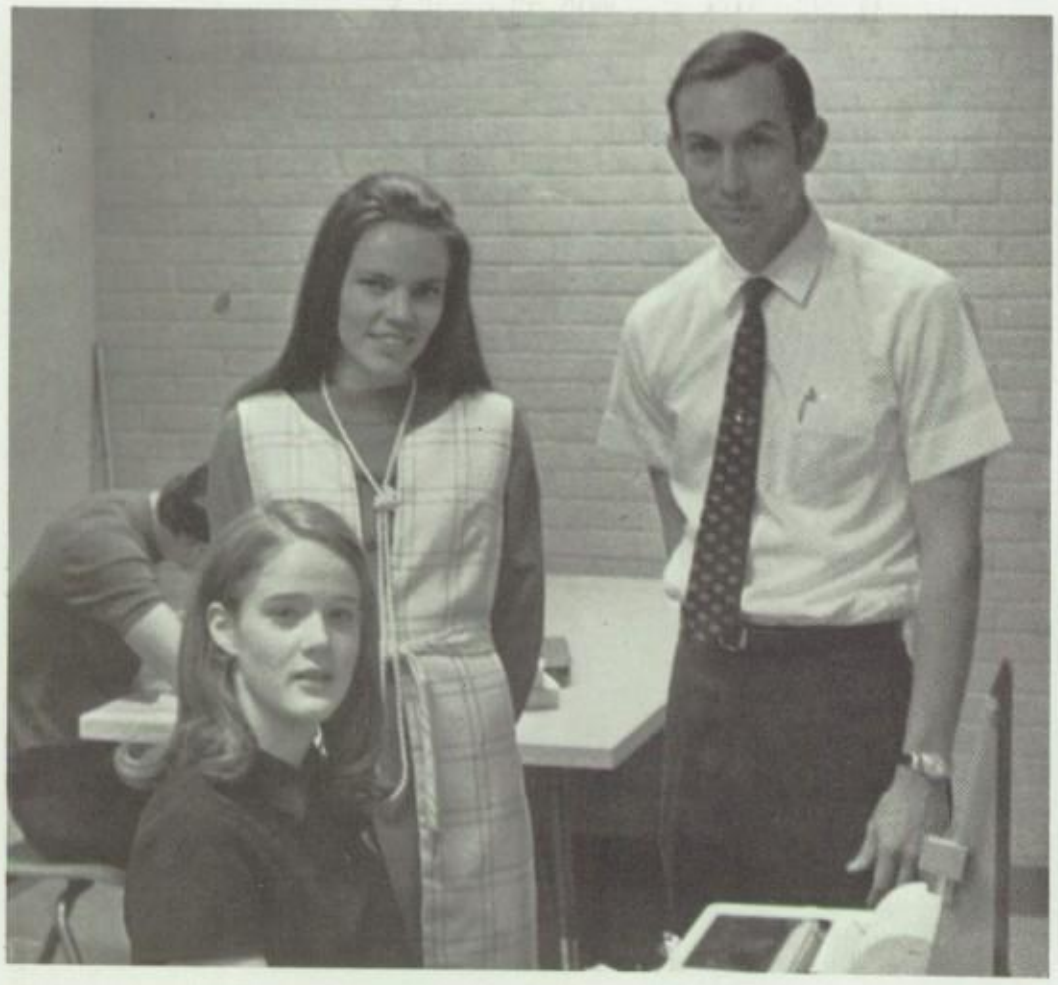
math e mat ics, n. — that science treating of the exact relations existing between quantities or magnitudes and operations, and of the methods by which, in accordance with these relations, quantities sought are deducible from others known or supposed. Mathematics is covered comprehensively at Western Hills, with divisions including algebra, geometry, related math, consumer math, trigonometry, elementary analysis, computer math, and calculus.

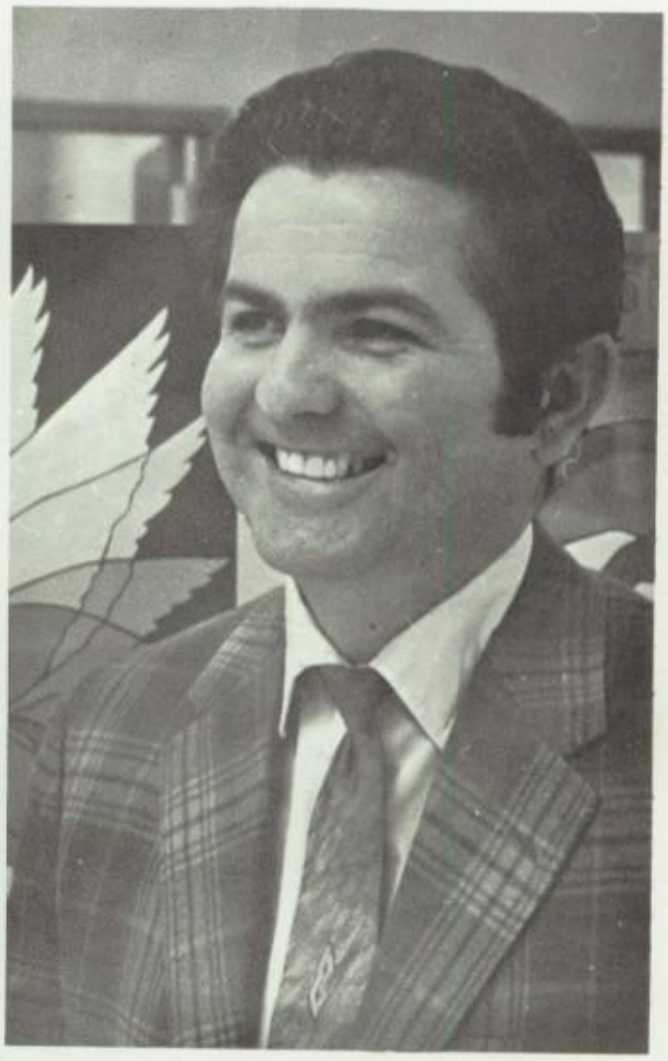


At top right, Mrs. Barron typically sits at her overhead projector. Near right is Mrs. Coon, who tells her students before a test, "The better one knows it, the more quickly one can write it down." Mrs. Mullins (far right) is shown with her notorious plants.



Mr. Little (left) says he might be a frustrated would-be lion-tamer. Below left are Miss Meyer, Mrs. Reithofer, and Mr. Boyd in the computer room.

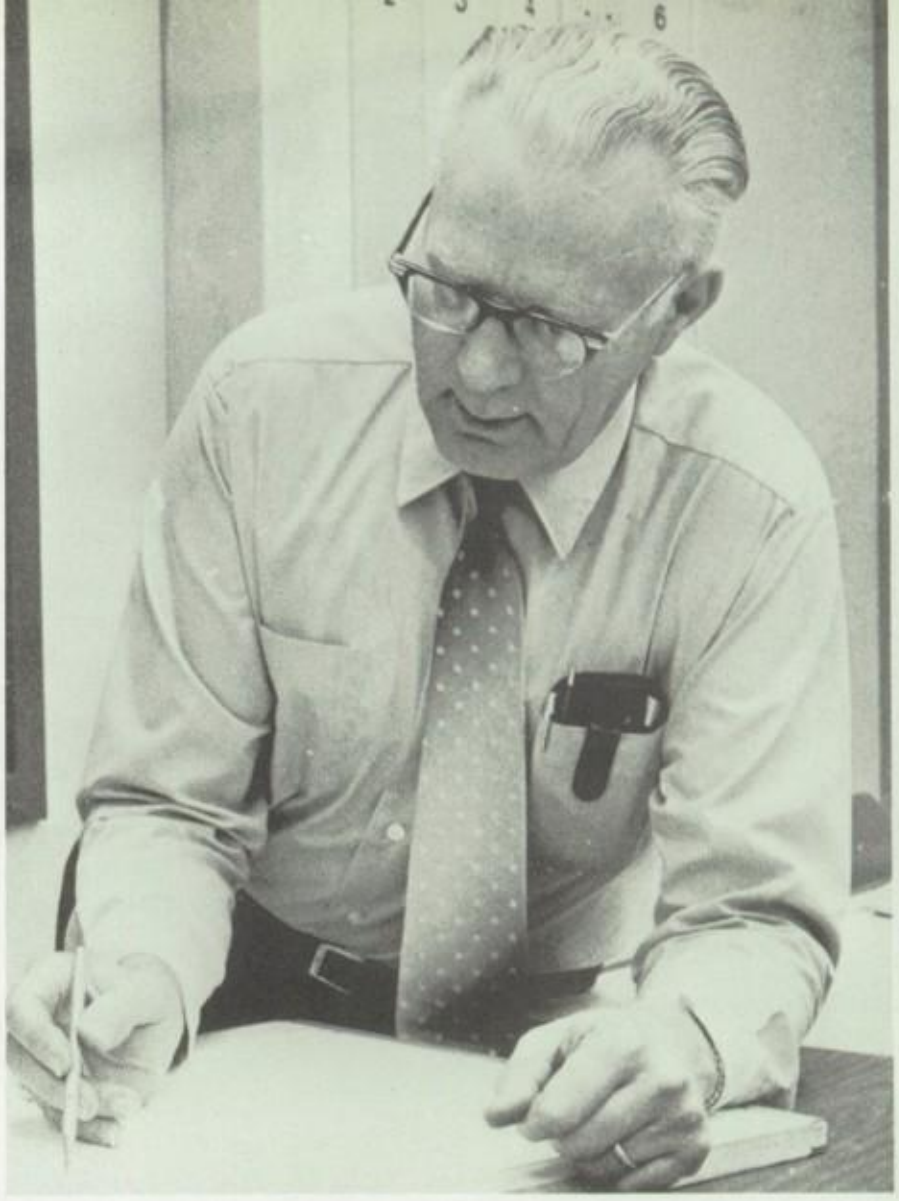


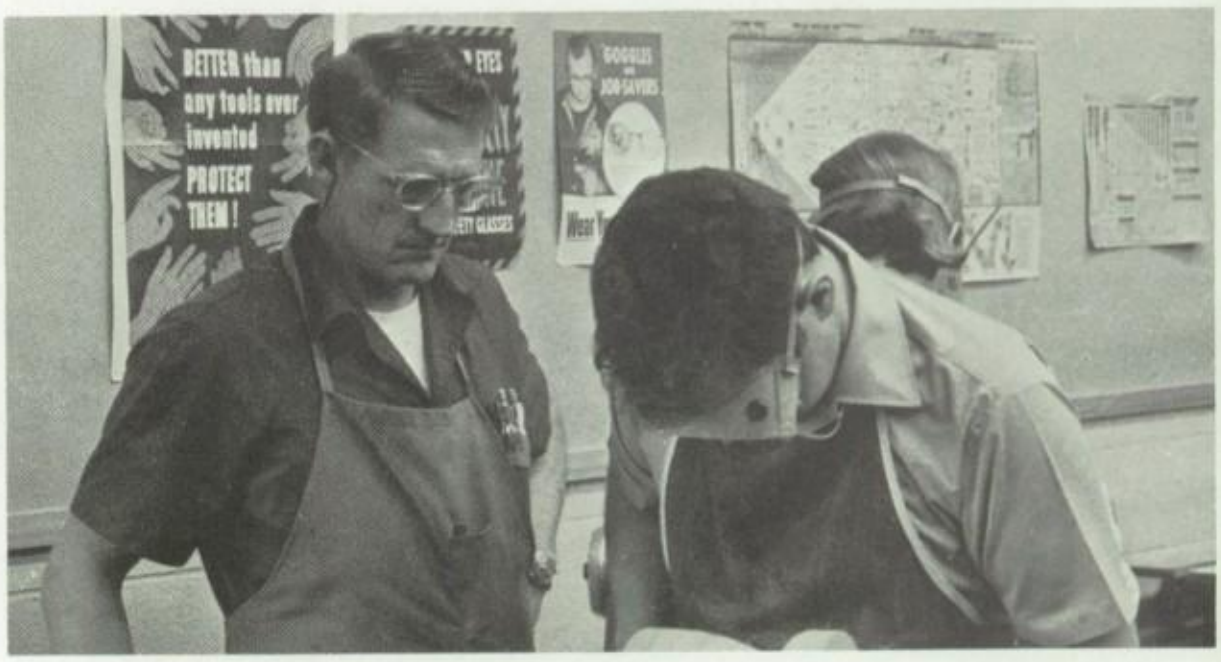


Mr. Kahler (above right) thinks it's odd to teach with people he taught when they were in school. At left, with some geometry models, are Mrs. Williamson, Mrs. Wright, and Mr. Standifer.

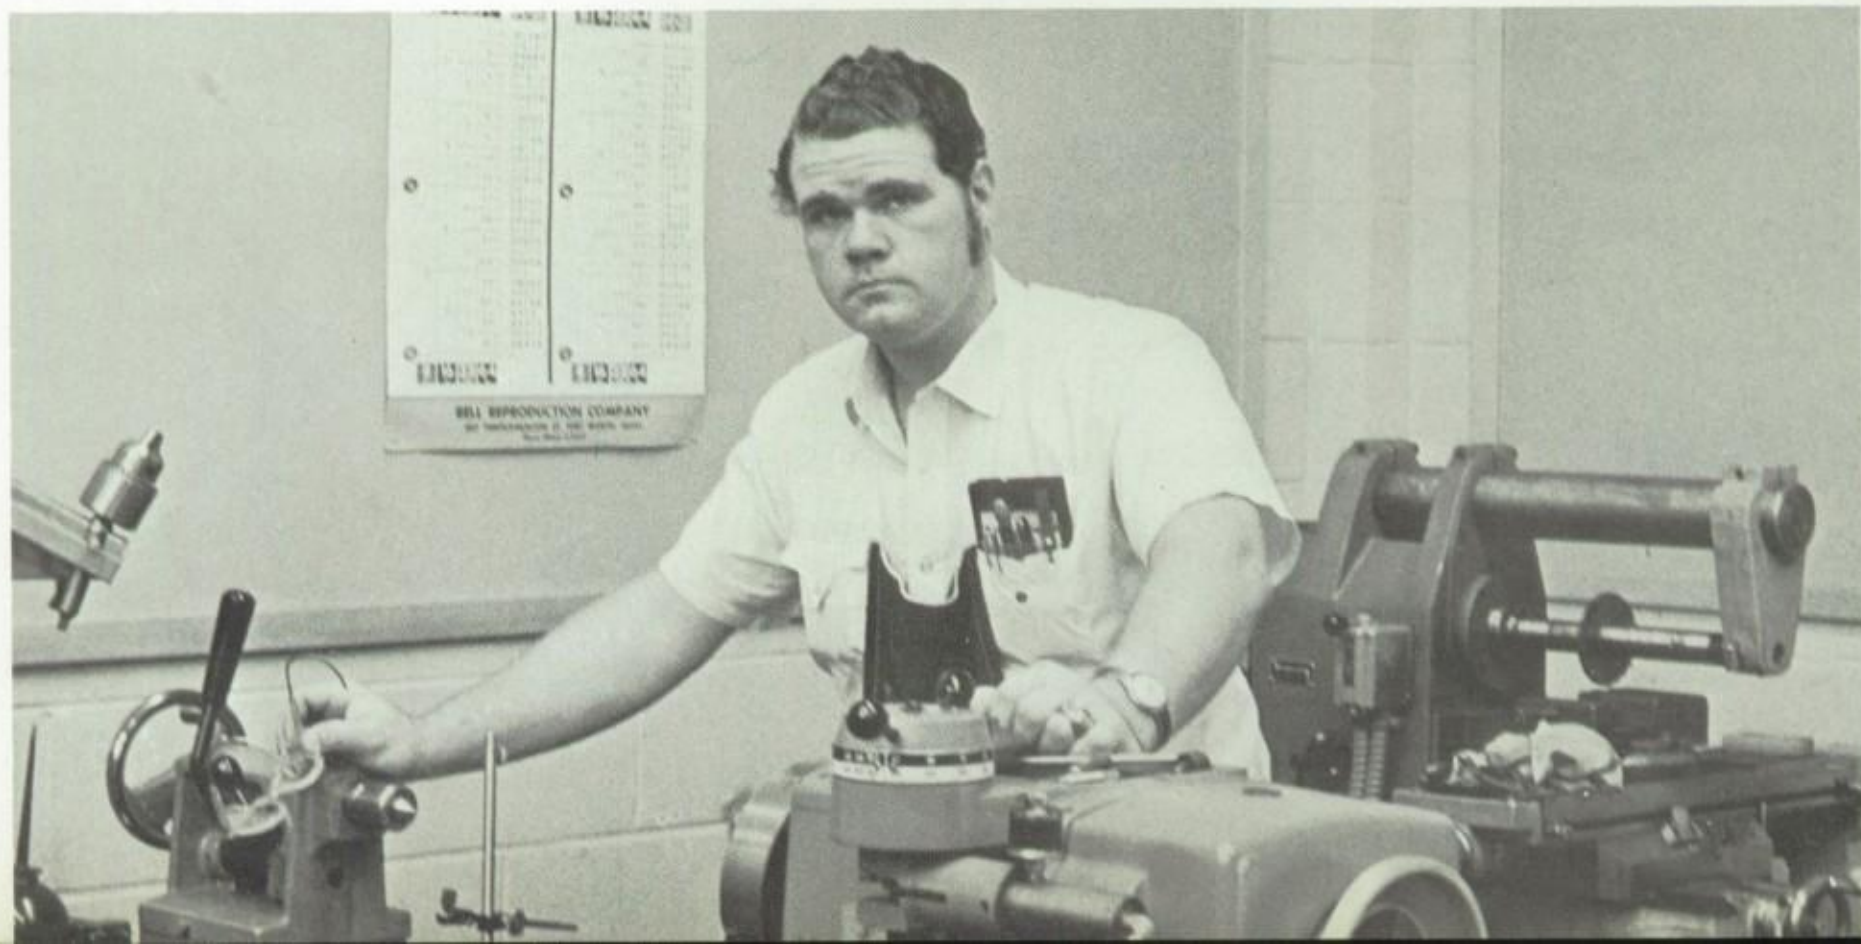
Students Work Toward Future Careers

ca reer, n. — one's advancement or achievement in a particular vocation. At Western Hills, students have the opportunity to gain practical experience and prepare for later careers by taking home economics, industrial arts, and distributive education. D.E., sponsored by Tom Park, permits some students to hold jobs and work half of the school day, and still receive credit toward graduation.

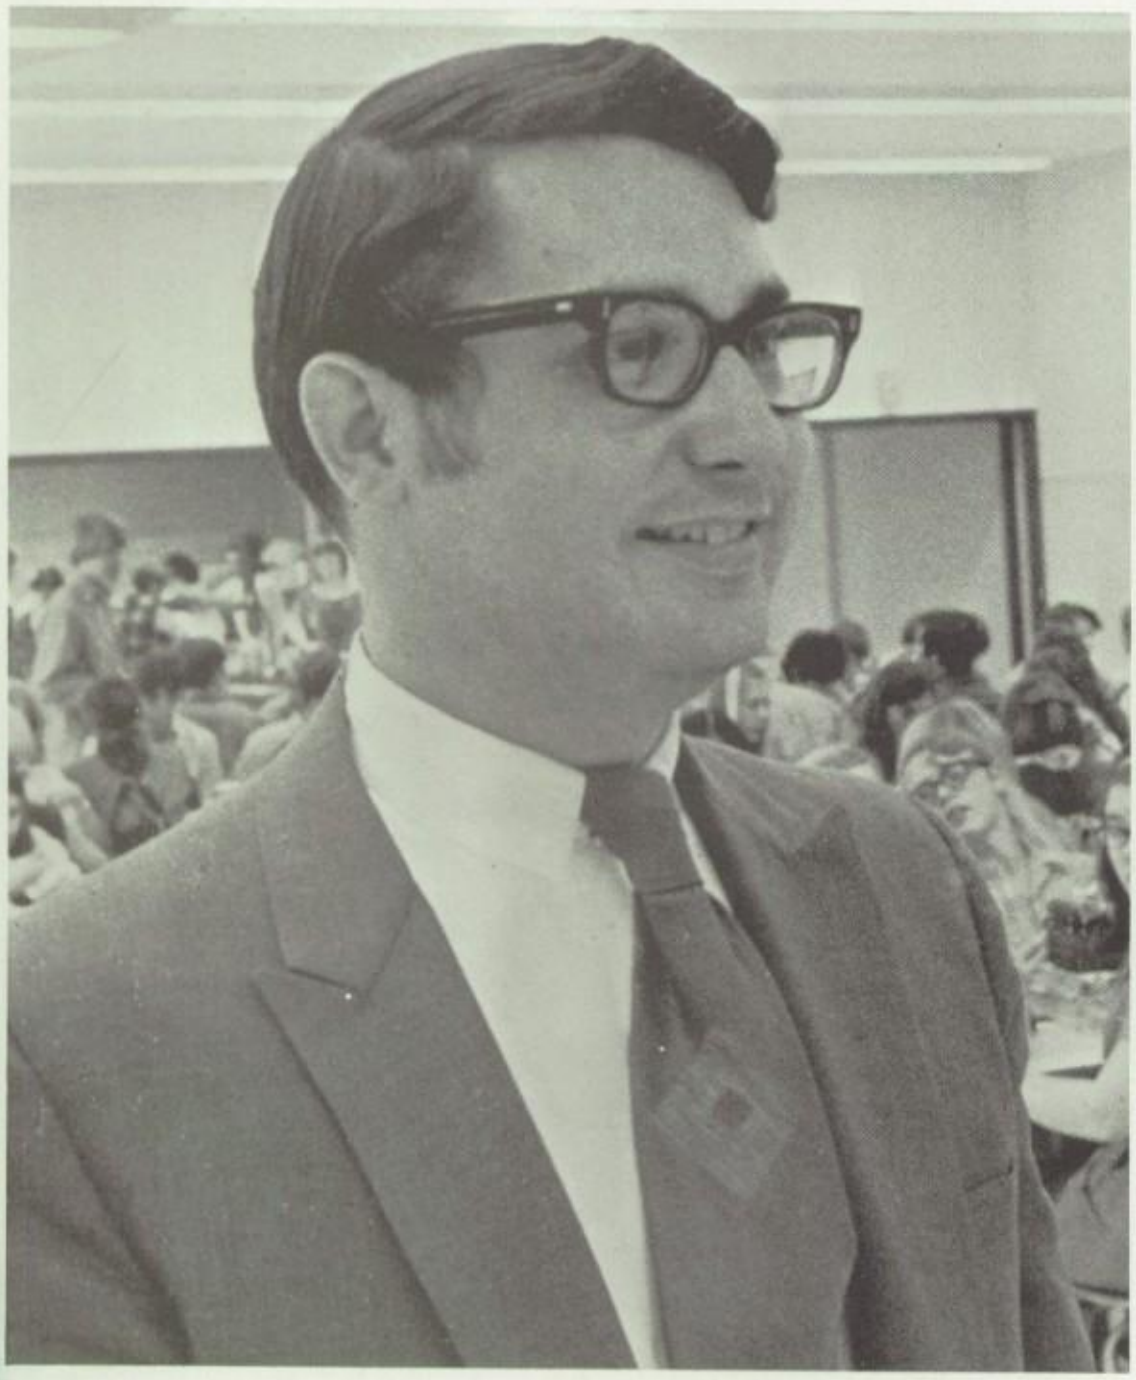




Mr. Bishop (top right) says, "Instruction may end in the classroom, but education ends only with life." Mr. Mazy (right) became a teacher because of the vacation time allowed: June, July, and August. Working with him is Doug Moore. Mr. Smith (below) owns and operates his own airplane.



Mrs. Feik (left) enjoys seeing her students grow in knowledge and maturity. Mr. Park, the D.E. instructor, is shown (below left) in the cafeteria. The smiling face (below right) is Mrs. Ball of the homemaking department.

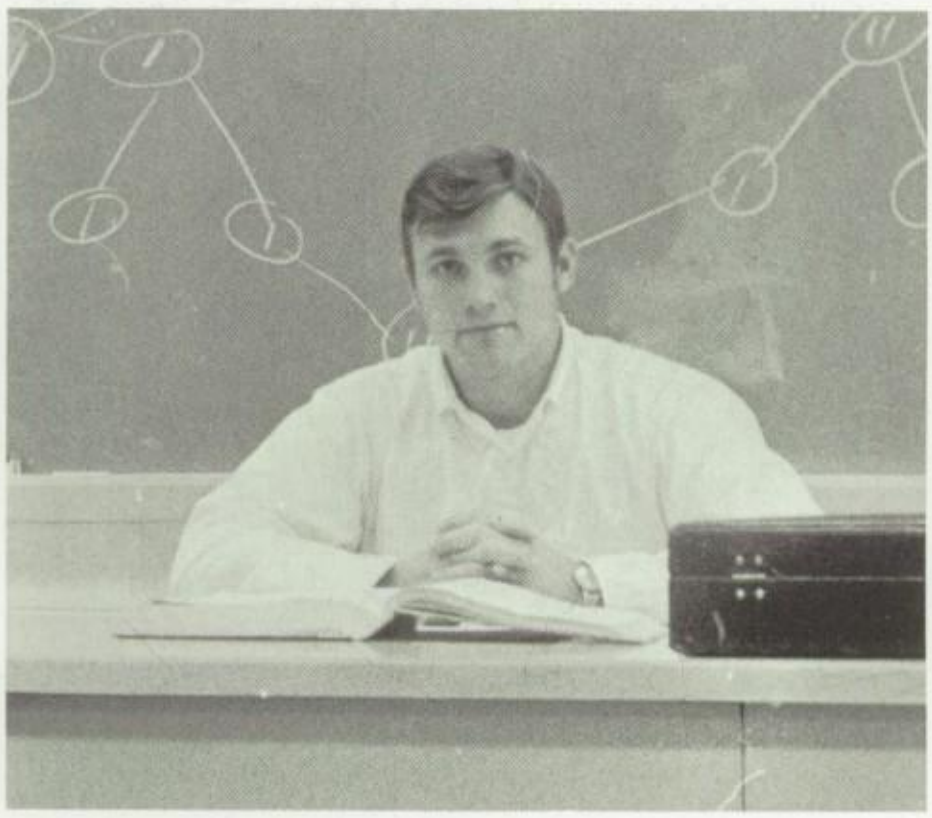


We'd Walk a Mile for P.E.

phys i cal ed u ca tion, n. — education in its application to the development and care of the body, especially with reference to instruction in hygiene and systematic exercises. In the physical education department at Western Hills, well-trained men and women instruct students in competitive sports, conditioning exercises, personal health, and physical care.

Pictured at the top are Coaches Weir and Walker. Miss Vaughan (above left) wants to help her students develop their self-discipline. Coach Allie (above right) says, "In a few words, my philosophy of life is based on respect for others, respect for authority, and a constant effort to better myself in my work and life."

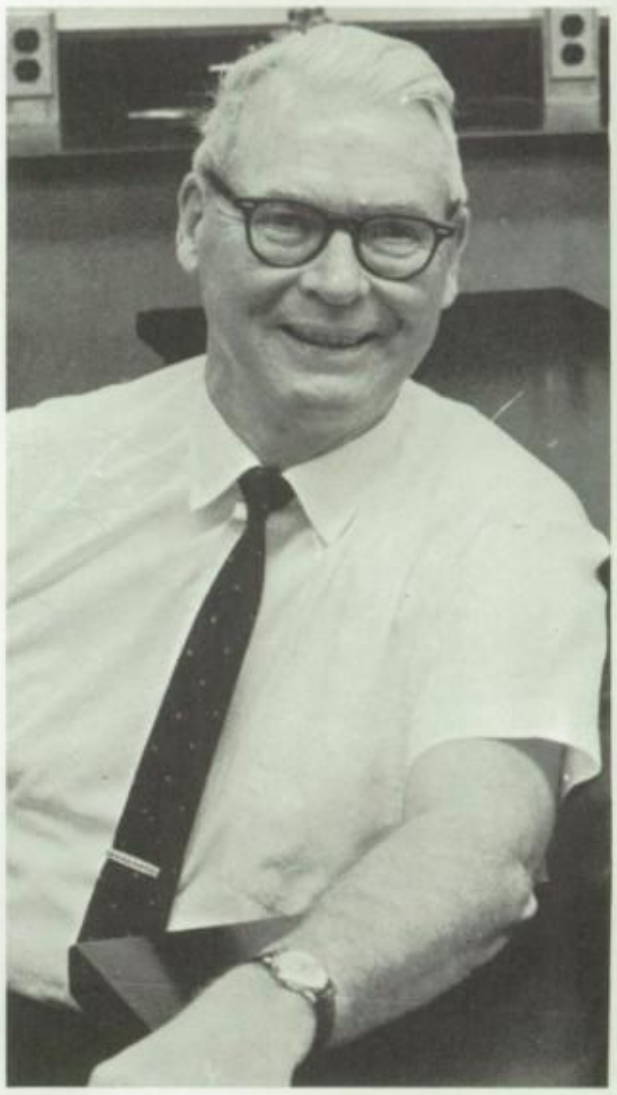
At left is Mrs. Headrick, who enjoys golf and water sports. Mrs. Martin and Mrs. Cole (center left) withstand the cold at a football game.



When asked why he became a teacher, Coach Massey (above right) replied, "I owe a great deal of my life to football and football coaches. One of the main ones I owe is Dale Walker. I felt I would like to do for other boys at least a few of the things he did for me." A new P.E. teacher at WHHS is Coach Morris (left).

Experiments Brew in Science Department

sci ence, n. — a branch of study concerned with observation and classification of facts, especially with the establishment of verifiable general laws, chiefly by induction and hypothesis. The chemistry, physics, biology, and general physical science teachers at Western Hills encourage curiosity, method, precision, and accuracy from their students.



Mr. Dryden (upper left) became a teacher because of the fantastic salary! Mr. Seely (upper right) says, "Be honest with yourself, and you will be honest with everyone." Mr. Zaehringer is shown above in deep concentration. Mrs. Amend (extreme left) served as president of the Classroom Teachers' Association.

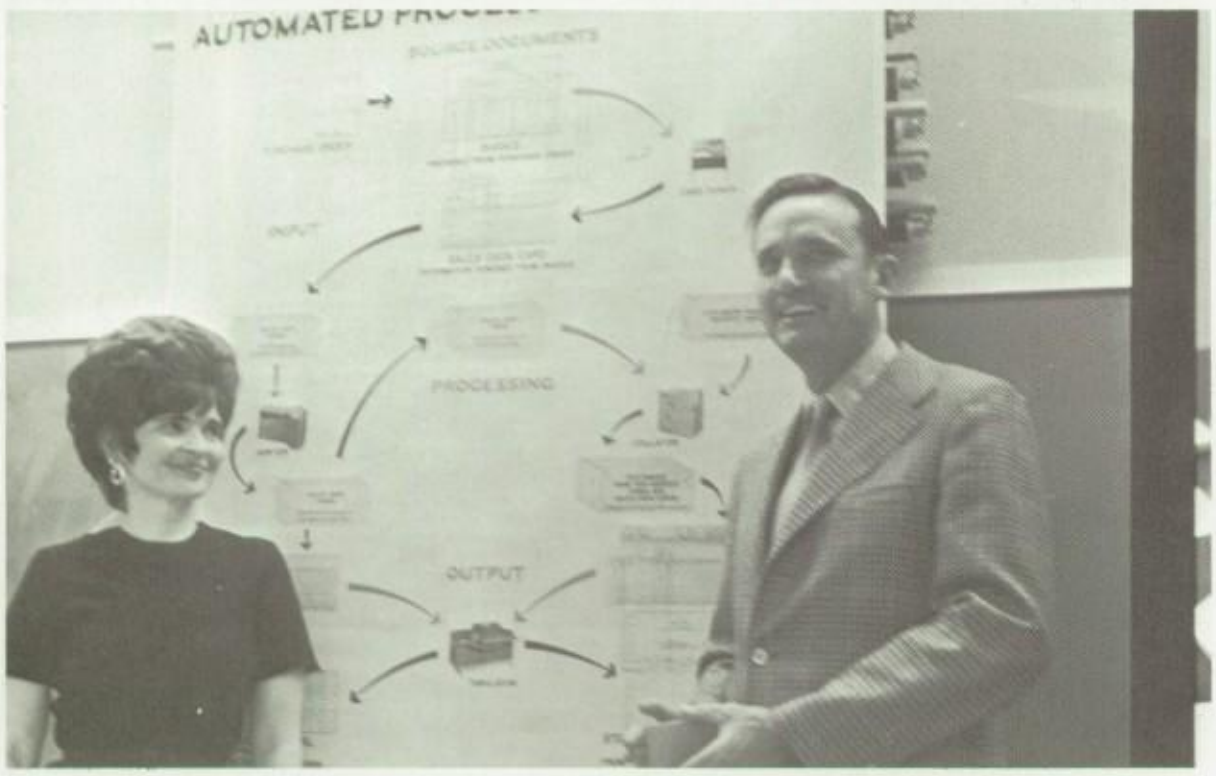
Mrs. Shimp (far left) is the chairman of the science department. Mr. Dixon (left) once sat on a lab sink at TCU and broke it off the wall!

Two new teachers are Mrs. Haines and Mr. Pressley (above). Mr. Stripling (left) believes that one should "live every day as if it would last a million years."

TYPING CAN BE FUN
Take a Business Course

busi ness, n. — the profession of systematically recording, filing, and copying commercial transactions. The business department encompasses typing, shorthand, bookkeeping, business law, general business, and vocational office education. Students work in an office-like atmosphere, learning to work quickly as well as accurately.

Mrs. Foust, pictured at the top with her student teacher, Mrs. Chitwood, enjoys water sports and golf. Mr. Dunn (above) takes it easy in the cafeteria. Miss Monarch, (right) who says, "Enjoy life by living it to your fullest," proves her point.



Mrs. Gustafson (top left) says, "Do unto others as you'd have them do unto you, or as a teacher, do unto your students as you'd have other teachers do to your own children." Mrs. Webb and Mr. Moody (above) pause before a chart for their classes. Mrs. Baker (left) decorates a bulletin board.

English Courses Stress Good Grammar and Good Taste in Literature

lan guage, n. — the faculty of verbal expression and the use of words in human communication; also, the words themselves in their grammatical relationships. In English language classes, students learn to express themselves creatively and correctly.

Mrs. McNerney (top) believes "Each day is the first day of the rest of my life." Mrs. Guess (near right) loves to have her picture taken. Mrs. Prevost (far right) enjoys reading and painting. Miss Grigsby (below) says, "You only live life once, so enjoy it."

Mrs. Rider and Mr. McCombs (far left) chuckle over Mr. McCombs' financial condition. Mrs. Jackson (left) teaches because she hates housework.

Four underclassman English teachers pose between classes. Miss Griffin is seated with Mrs. Wray, Mrs. Thompson, and Mrs. Stedham standing. Mrs. Elliott (above) enjoys singing solos and writing songs and poetry.

Team Teaching Explored in English Department

Mrs. Wenzel (top right) tries to encourage students to think for themselves and always do their best. (Above right) Miss Noel and Mrs. Coultas take time out from classroom activities. Mrs. Martin (right) conducts her English class.

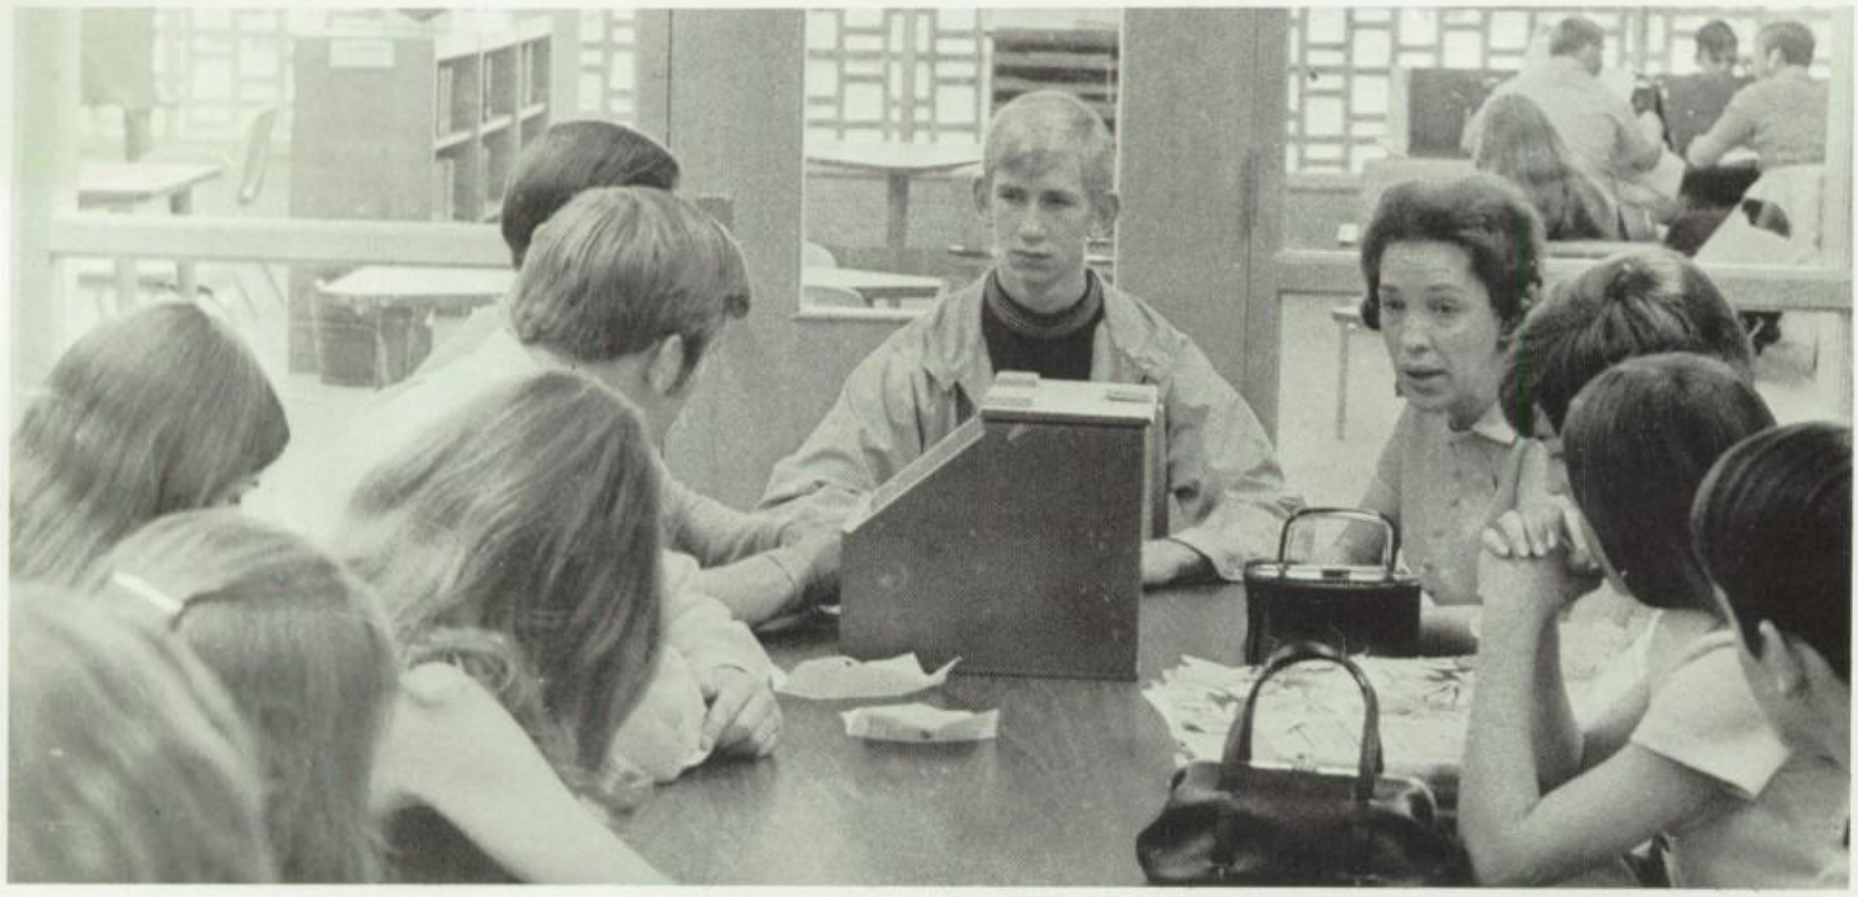
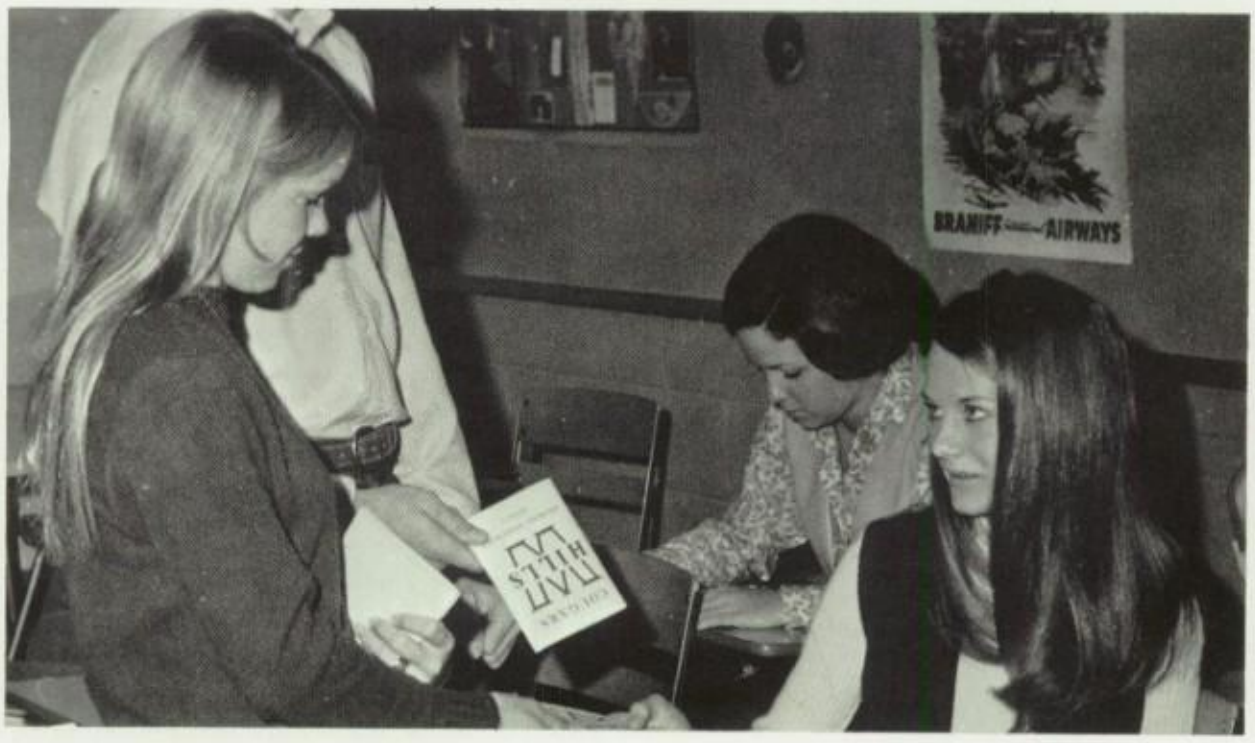
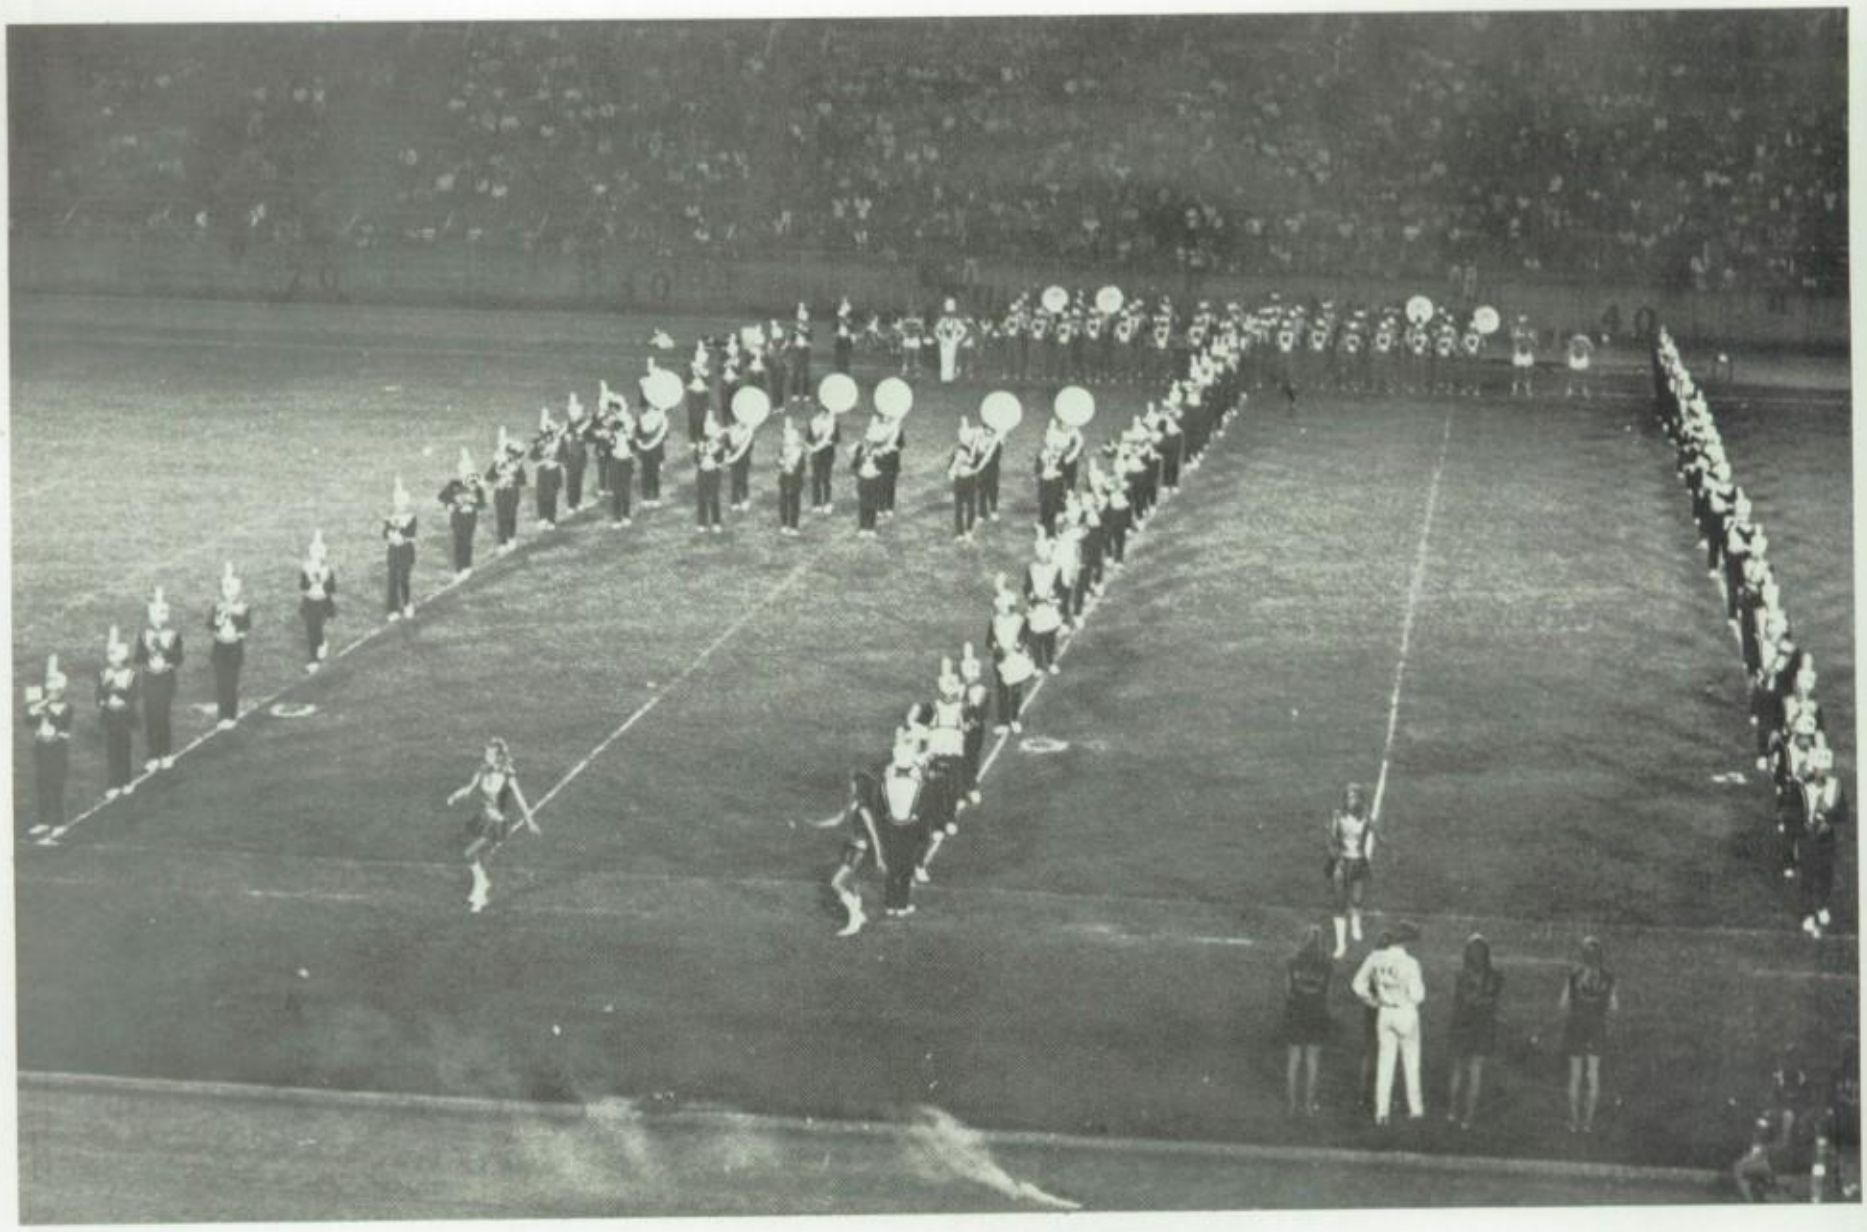
Student Council Steers School Activities





ABOVE LEFT: Student Council members consider an idea from the new Suggestion Box at a regular session.
ABOVE: Cindy Walker purchases a student directory from Student Council member Terrie Taylor.

Beginning with the purchase of a bulletin board for school activities throughout the year, the Student Council skillfully sponsored numerous projects for the student body. Among these were the Roundup Dance, Homecoming Day activities and dance, student directory sales, and the Christmas Dance. Besides this, the Student Council led the way in getting a more lenient dress code passed.



ABOVE: Band members display their marching skills at half time.
LEFT: John Porter and Keith Tidwell look on while Gary Cooper waits for his cue.
RIGHT: Frank Bliss, one of the Crazy Band members, dresses up for the Tri-Hi-Y vs. Faculty volleyball game.
FAR RIGHT: Mr. Jerry Jones, Band director, gives last minute instructions to drum major Lowell Anderson.

After weeks of summer practice, the 86-member Western Hills Marching Band was prepared to give exceptional performances at pep rallies and football games, as well as taking time to travel to Lewisville for the University Interscholastic League Competition on November 17. There the musicians rated a Division 3 title. Sponsoring a spaghetti supper and selling cushions were two projects contrived by the Band and the Band Booster Club to help raise funds to cover expenses.

RIGHT: Majorettes Marile Jones, Karen Hood, Christi Patterson, and Lisa Bender pause to rest after an active half time performance.

The 28-member Stage Band, sponsored by the Booster Club, has entertained both at school and in extracurricular events. In addition to playing at pep rallies, the ensemble performed at The Cougar Capers, a variety show held on November 20. Traveling to Como High School and other schools constitute a few of the Stage Band's many outside activities.

RIGHT: Katie Landes and Ronnie Holton tune their instruments with the help of a Strobatuner.

The members of the Western Hills Orchestra, under the leadership of Mr. Jerry Jones, spend one hour each day in practicing their skills before making performances. The 23 musicians entertained the Humanities class in December and visited local middle and elementary schools to play and encourage interest in music. In the musical "Bye-Bye Birdie," presented during the spring semester, the Orchestra supplemented the chorus.

Holiday Program Highlights Choral Performances

Under the direction of Mr. Jerry Jones, the Chorus rehearsed for its representation in the Texas Wesleyan College Choral Festival in October. A Christmas program presented by the Chorus featured a solo by Anita Blaylock and duets by Lisa Thomas and Robert Kauffman, and Rhona Dukes and Richard Justice. The Chorus also participated in "Bye-Bye Birdie."

Membership in the Western Hills High School Spirit Club soared to over 300 this year as representatives from every grade pledged their support for all sports. Artistic members created posters for pep rallies, while others demonstrated their loyalty by wearing their uniforms and cheering the Cougars to victory. A Basketball Spirit Week was held from January 11—15, climaxed by a trophy presented to Coach Moody. The name of the club was monogrammed on each uniform, along with the member's name and year of graduation.

A Russian pianist performed a concerto at a similar concert. On December 17 members of the organization enjoyed a Christmas banquet at the Edelweiss Restaurant. The Western Hills Debate Club participated in tournaments in Houston, NTSU, TCU, and Paschal High School. At the Paschal tournament, the squad placed third in the standard division. The team, under the sponsorship of Mrs. Stedham, earned money by holding a Car Bash in the school parking lot at Das Volks Festival.

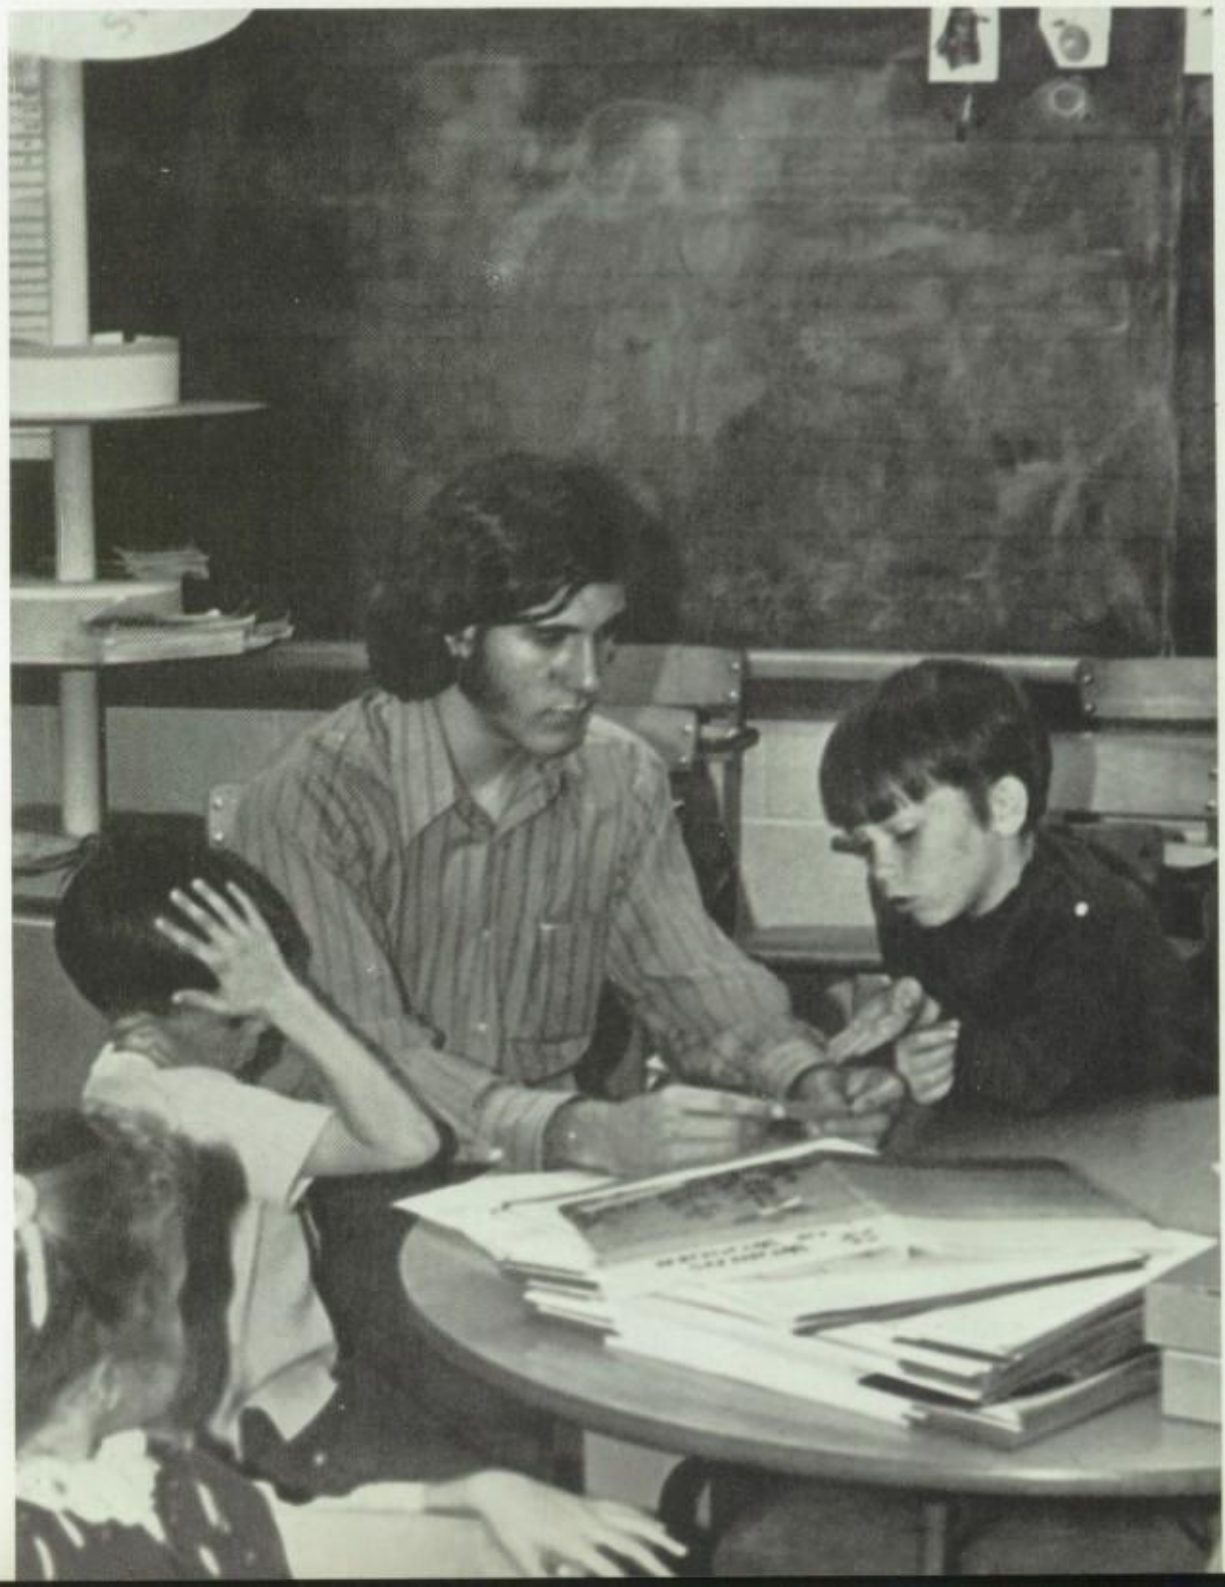
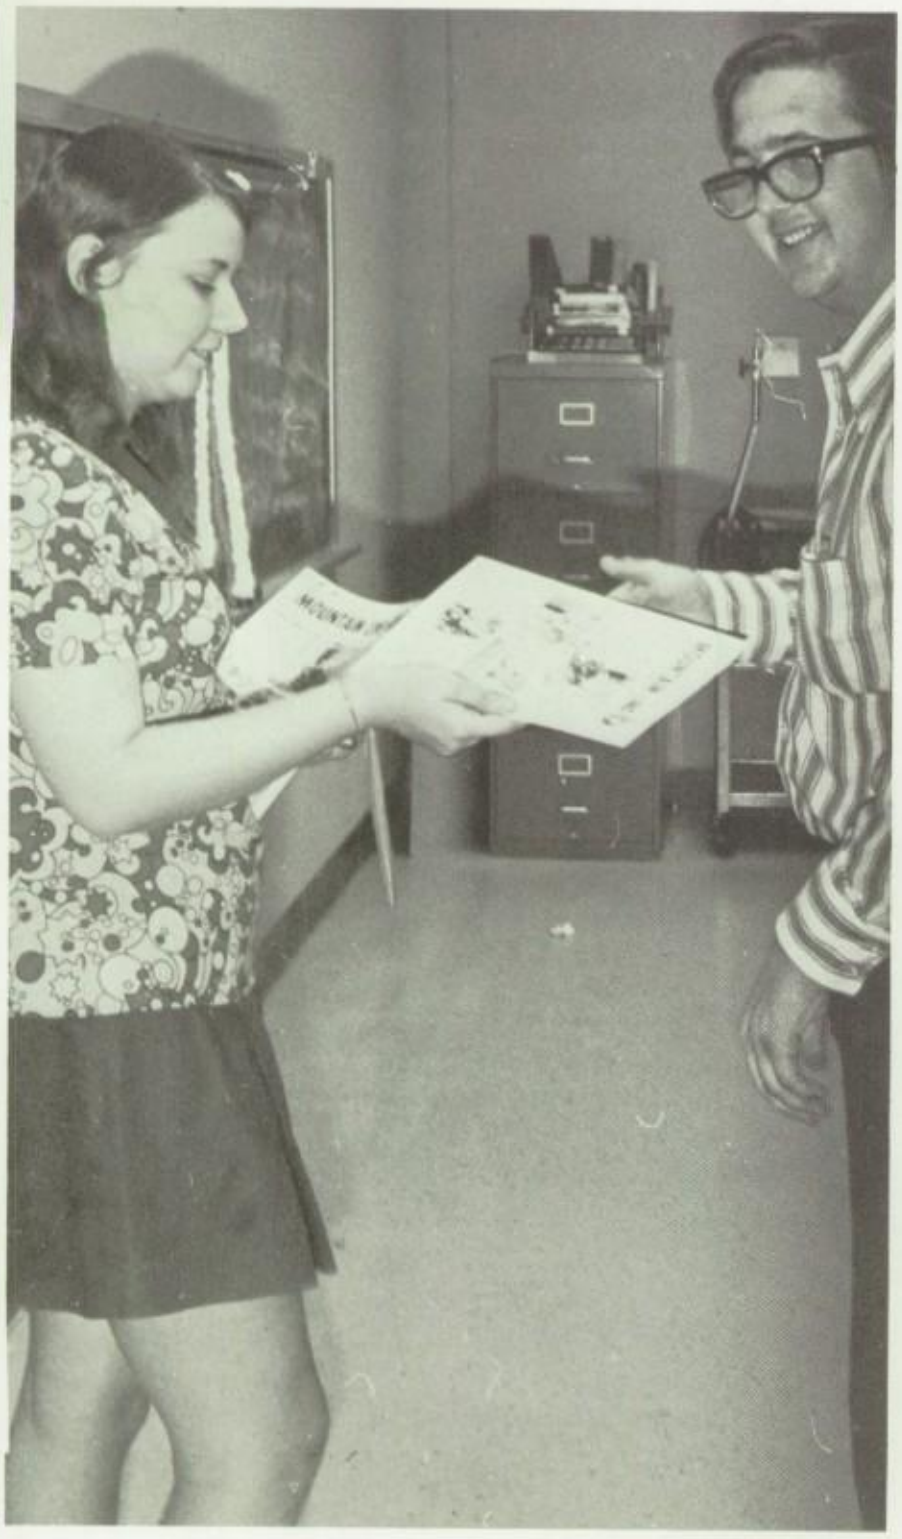
The group initiated the student-teaching program, with Western Hills students assisting teachers at Waverly Park Elementary School.





Journalism Staff Masterminds

The Mountain Line

The main purpose of the journalism class was publishing the school newspaper, **The Mountain Line.** The staffers also discovered a new world of headlines, cutlines, and copy. Pages were planned in advance and material fitted to the exact size. After choosing a theme, cover, and format, the more detailed work began. Individual section editors planned each page to be included trying to follow the basic theme of responsibility. The result of a year of work, worry, and anticipation is the 1971 **Catamount.**

Cagers Post 16-11 Record

"Coach Moody has bent over backwards to make this team united and a winner." This paraphrased quote sums up why the 1971 Cougar varsity ended the 1971 season with a 16-11 record.

The Cougars started the pre-season as one of the hottest shooting teams in the city. It was in one of the most powerful districts in the state, a district which included Arlington Heights (number three in the state).

Finishing in a tie for third in the first half, the Cougars entered the season finale with a 4-0 record. They left 4-1 but showed Fort Worth that the Cougars were to be reckoned with.

Goat-ropers, Indians, hill-billies, and even plain ol' cowboys helped celebrate Western Day on February 5. With a whoop and a holler, the Old West came alive once again. There was the beard growing contest, a showdown in the ol' Cougar corral, and lots of pickin' and pluckin'.

Love Is All You Need

This year, the Tunnel of Love led to an exciting and memorable Valentine Dance on the night of February 13.

"The Purpose" entertained the Valentine guests and carried out the theme of "Color My World" during the annual presentation of class favorites. Peggy Lusty was in charge of the dance with the PTA Association providing refreshments, chaperones, and decorations.

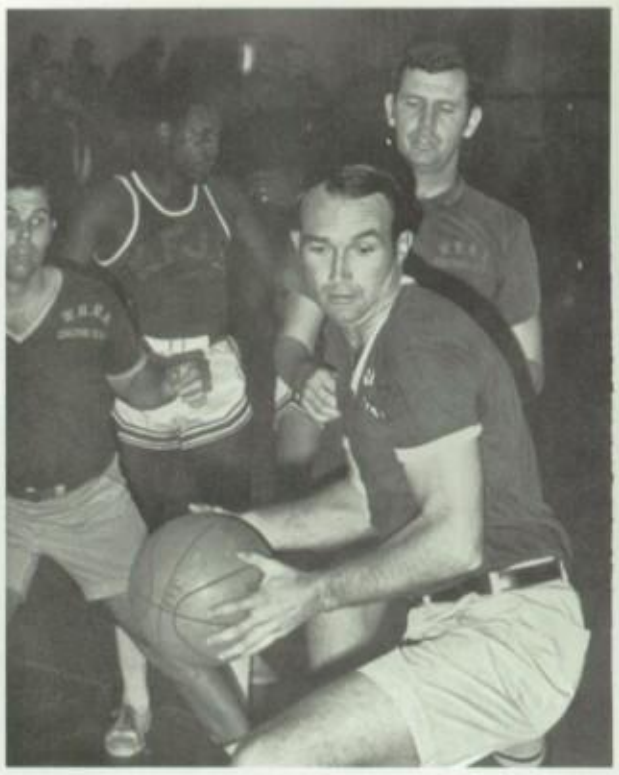
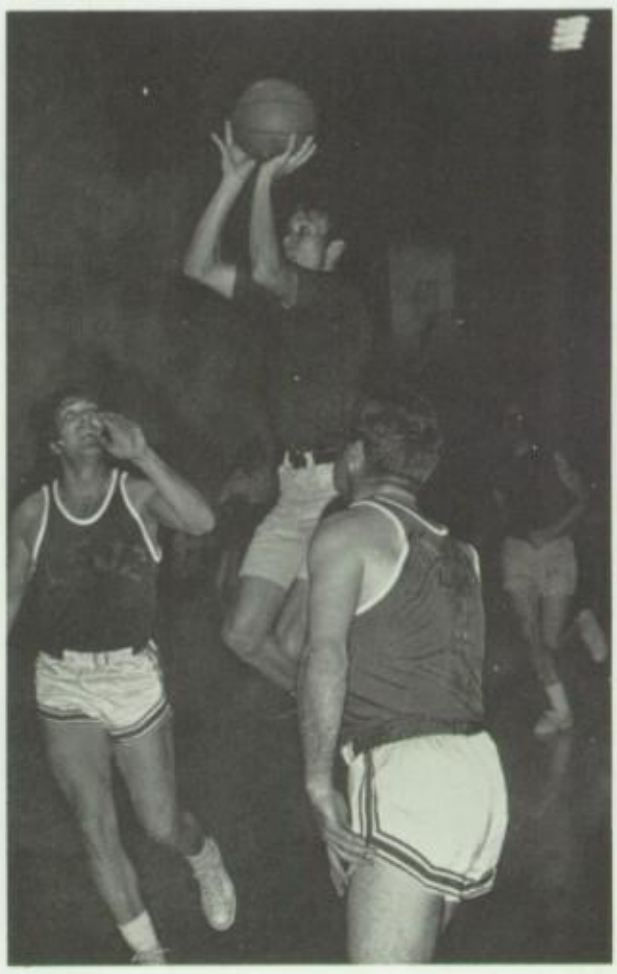
Old Crows Whiplash Court Jesters . . .

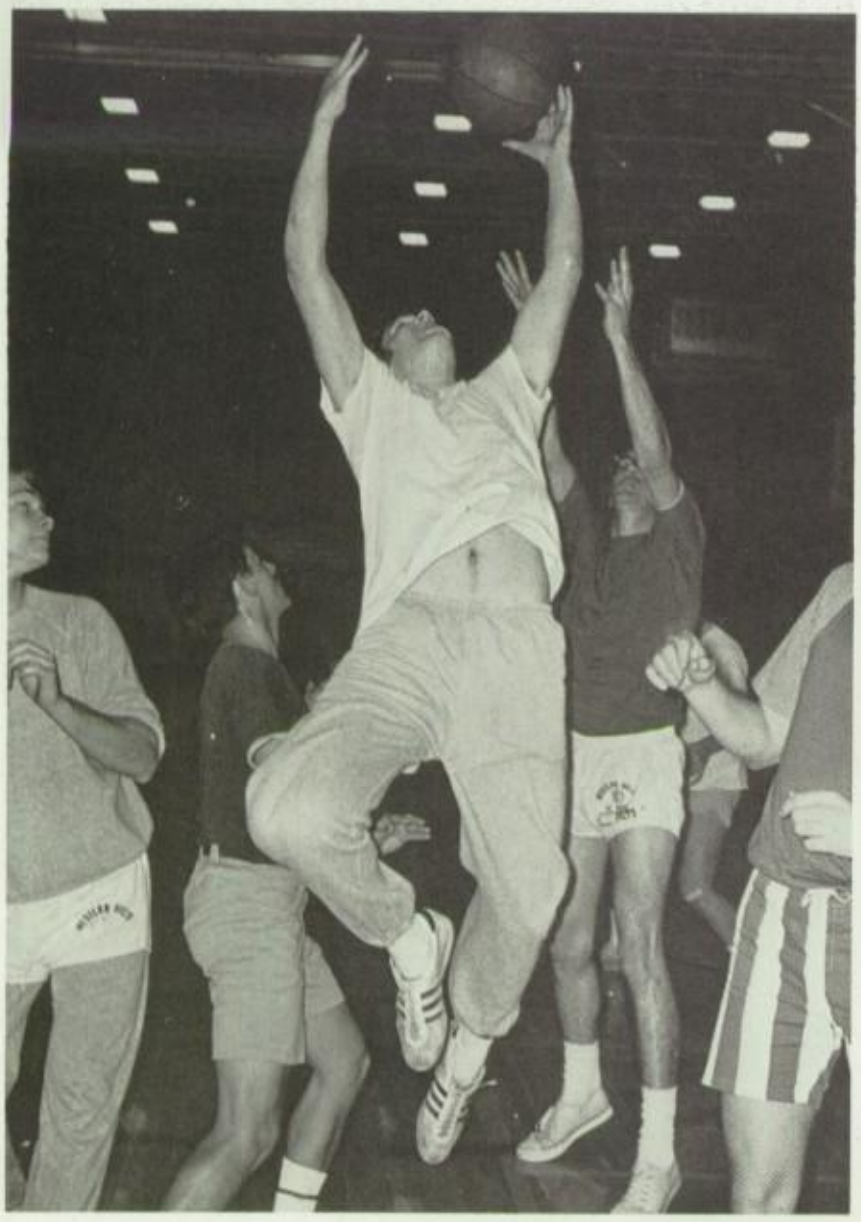




On Monday, February 15, the fearless Western Hills Old Crows (men faculty) met the KFJZ Court Jesters in a thrilling, earth shaking, all-time great flub of a basketball game — the season's most exciting basketball farce. The result was an Old Crow victory; the Court Jesters retreating to KFJZ with another loss.

TOP RIGHT: "I wonder how I should get rid of that ball!" questions Coach McLain. RIGHT: "Onward to victory!" signals Referee Coach Walker. FAR RIGHT: "Hey, up there!" yells a KFJZ Court Jester to Coach Hall. BELOW RIGHT: Faster than a speeding bullet, Coach Dunn streaks across the basketball court. BELOW: "I can't understand why they call us the Crazy Band?"

. . . Scratch Out Spring Chickens



On February 26, another victim, the Spring Chickens accepted the challenge of the Old Crows. These were the off-season football players, along with some basketball players. As a result, students were able to leave 2nd and 7th periods to witness another hilarious victory for the Old Crows.

Miss WHHS

Sue Frantz

Sue's Spirit Infects WHHS

Almost any activity at Western Hills for the past three years could be linked with the name of Sue Frantz, Miss WHHS. She was on the Student Council Constitution Committee her sophomore year, serving as treasurer and secretary of the Student Council her junior and senior years respectively. One of the originators of the Spirit Club, Sue served as secretary of that organization. As an honor student, she was elected to Who's Who the past two years. Sue was the recipient of many awards during her high school career. For her spirit and effort on behalf of Western Hills, she was elected Track Queen, DAR winner, and a junior favorite finalist. With a vivacious personality she won the affection of many as a member of Tri-Hi-Y, FHA, FTA, and the Gymnastics team. Young Life has been one of Sue's favorite activities. After graduation she plans to work on their volunteer staff, while attending Texas Christian University.

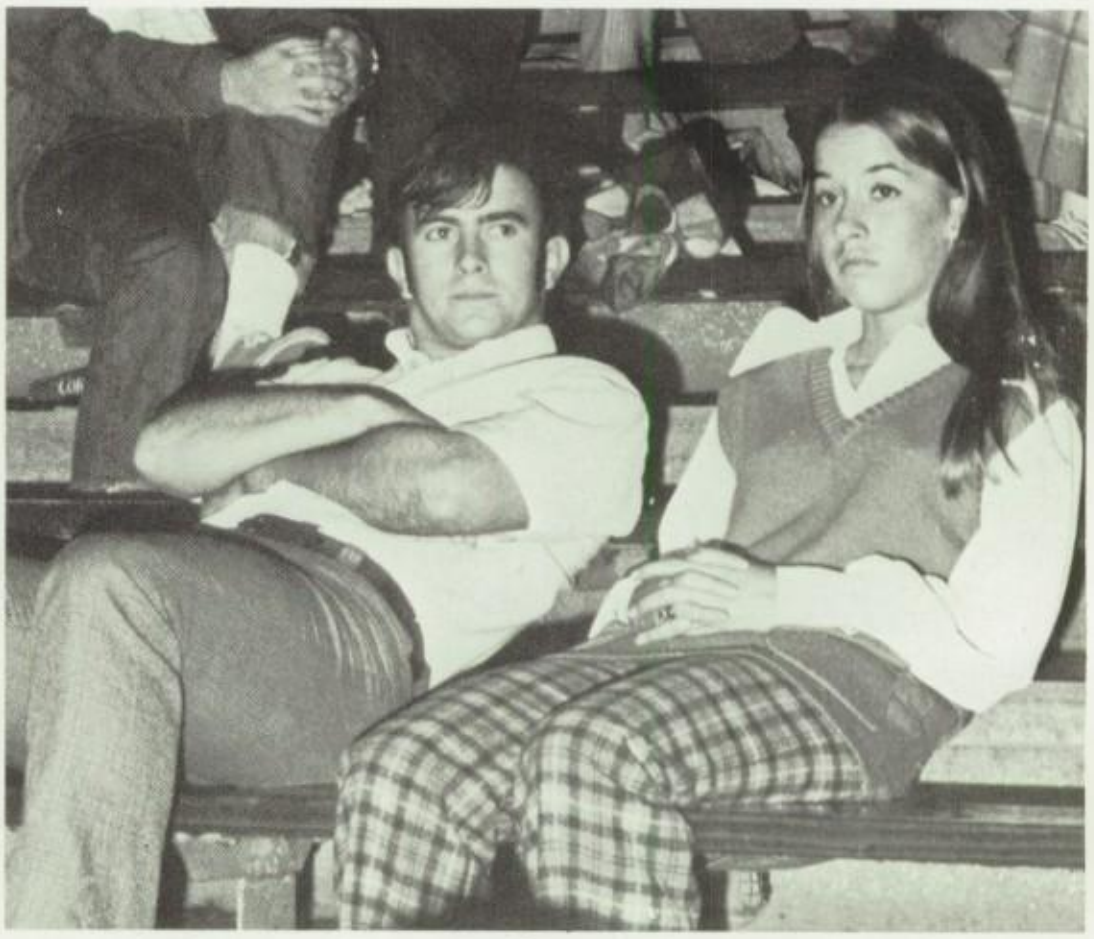
Mr. WHHS

Terry Drennan

Terry's Duties Include Problems, Pleasures

LEFT: Terry strikes an agreeable pose while shot is snapped at Green Oaks.
BELOW: During half time at a Cougar basketball game, Terry appears to be reviewing the action of the previous quarter while Connie Clarke looks on glumly.



Personally, scholastically and athletically, Terry Drennan has earned the title of Mr. WHHS. As a sophomore and junior, he was a favorite finalist. Terry was president of the Student Council his senior year, coordinating school activities, and representing Western Hills at many intra-school functions.

Scholastically, Terry is among the top in his class of four hundred. A three-year honor student, he has been elected to Who's Who each of the three years.

Terry's largest contribution to Western Hills was in the sports field. In his sophomore and junior years, he lettered in football, basketball, baseball and track — taking second in the high-jump at Bi-district. As a junior he was an All-District football selection. Although he broke his arm in the 1970 Southwest game, Terry won honors as All-District quarterback, and 4A-10 Back of the Year. He was co-captain of the football team for two years and captain his senior year.

Terry received a four-year athletic scholarship from Texas Christian University where he will major in pre-med.

LEFT: As captain of the Cougar football team, it was Terry's "duty" to present the Homecoming Queen Judy Jones.

Mr. and Miss WHHS Finalists Are Responsible to the Future

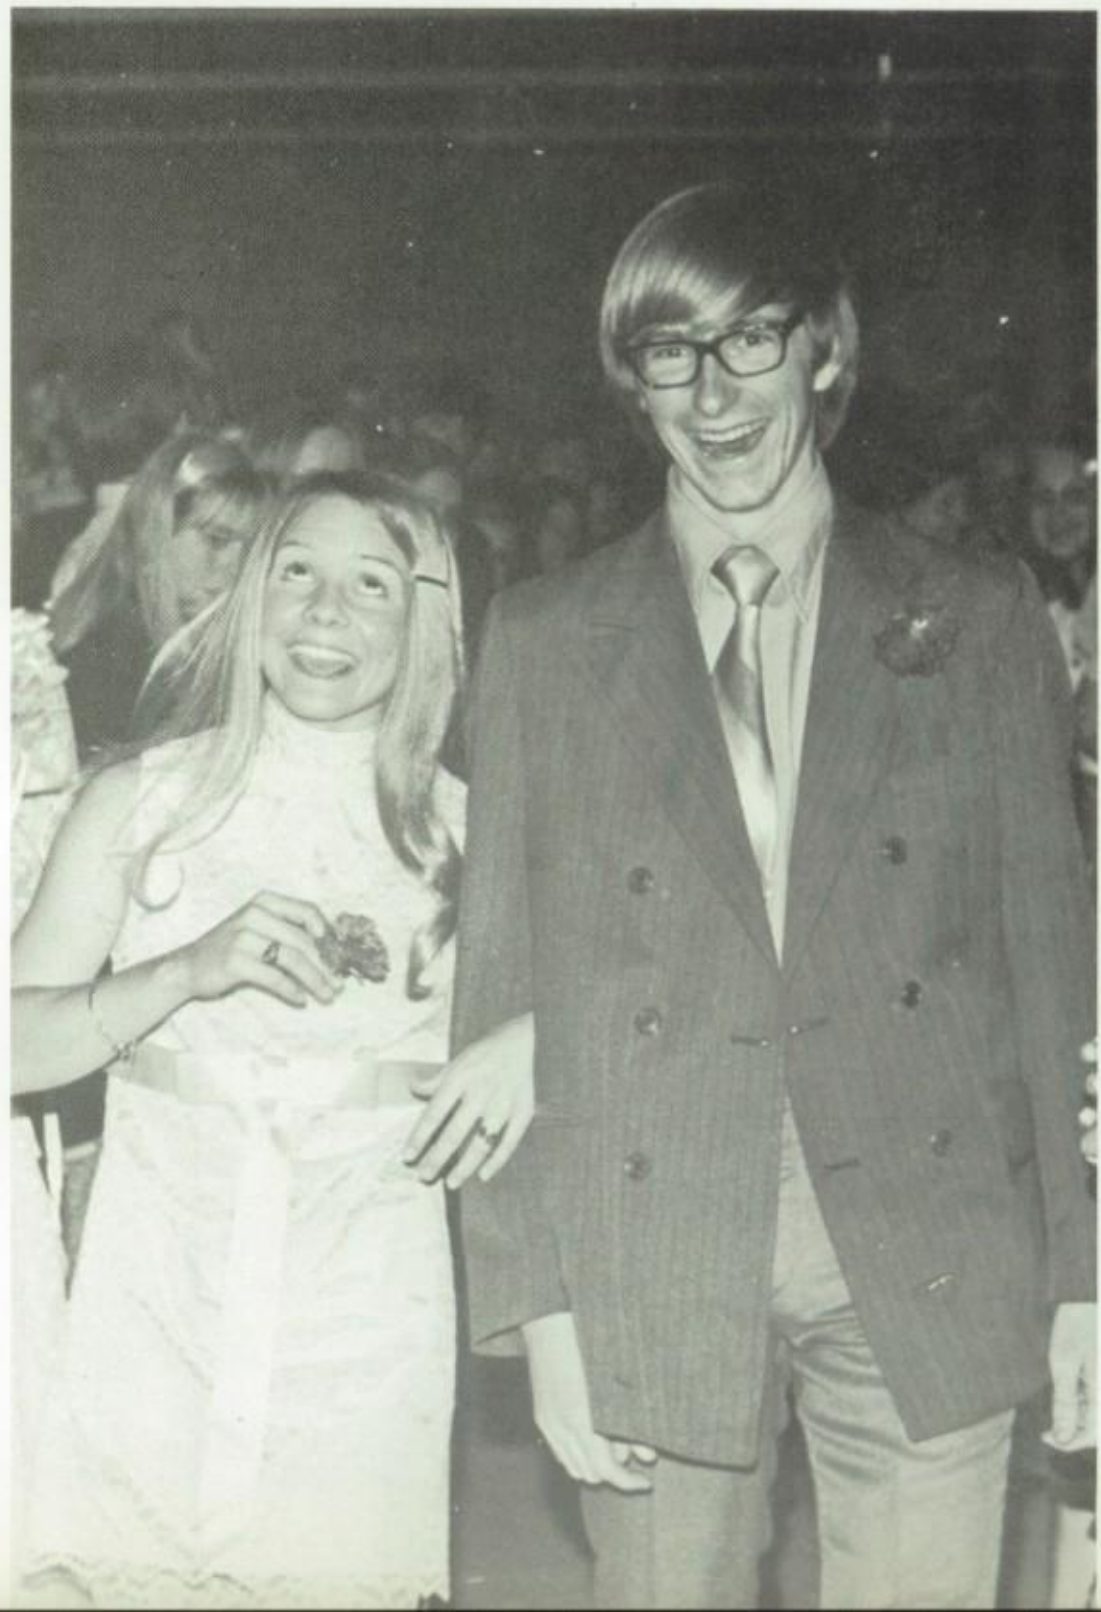
ABOVE LEFT: Bob Boldt, Mr. WHHS finalist, is ready to cope — with a smile and plenty of new ideas.
ABOVE RIGHT: Miss WHHS finalist, Rita New, gazes reflectively into the mirror and beyond.

ABOVE: Mr. WHHS finalist, Mike Luttrell, and Polar friend grasp life with the ability to live it to the fullest.
LEFT: Jill Becker, Miss WHHS finalist, greets reality with a face full of happiness.

Marty and Bruce Are Cougar Specials

Being elected as senior class favorites gave Marty Montgomery and Bruce Williams one more thing in common. Both are homeroom representatives to the Student Council, and members of the Drama Club of which Bruce is president. Bruce is vice-president of the Senior Class while Marty is secretary. Spirit Club is another activity which involves both. Marty was elected to Who's Who. During her sophomore and junior years, she served as accompanist for the Chorus. She is president of the Stripling's Teenboard and was president of the "C" chapter Tri-Hi-Y during the fall term. Bruce is the senior representative to the Area Student Council and a photographer on the 1971 CATAMOUNT staff.

UPPER RIGHT: Marty Montgomery beams as she is escorted by Phil Bailiff during the Valentine's Dance.
RIGHT: Characteristic of Bruce Williams is a glowing personality. He and escort Terrie Taylor ham it up for spectators at the Valentines Dance.



Juniors Find Patty, Vernon Ideal

Junior favorites are Patty Shannon and Vernon Rew. Both are Student Council homeroom representatives and Who's Who choices.

Patty, with her sparkling personality, was sophomore favorite last year. She is on the Executive Board of the Spirit Club, and president of "C" chapter Tri-Hi-Y for the spring semester.

A guard on the Cougar football team, Vernon is an honor student. One of his special interests is motorcycling.

LEFT: Junior favorite Vernon Rew has been elected to Who's Who for the past two years.

Spirit Sticks and Favorites Titles Won by Kathy and Ritchie

ABOVE: Sophomore favorite Ritchie Furlow is presented to an enthusiastic crowd by Cindy Smith.

ABOVE: Kathy Jones flashes her smile for our photographer.

Kathy Jones and Ritchie Furlow distinguished themselves by bringing out the true Cougar spirit in a way that only the Class of '73 could. Kathy is active in the Spirit Club, Campaigners, Young Life, Spanish Club, and was instrumental in helping with the Christmas and Valentine formals. She also won the "Spirit Stick" which is awarded by the cheerleaders to outstandingly spirited people in their own classes. For fun, Kathy likes to go Go-Kart racing.

Ritchie Furlow is new to Western Hills this year, but wasted no time in making a place for himself among the Cougars. Though ineligible this year, he worked out for football and track. On the musical side, Ritchie plays the trombone in the A-Band. For his outstanding spirit, he also was awarded the "Spirit Stick."

Freshmen Reward Enthusiasm of Sylvia and Pat

Spirit and enthusiasm are the outstanding qualities of freshman favorites Sylvia Komatsu, a cheerleader, and Pat Odell who is an executive member of the Spirit Club. Sylvia is an honor student, Who's Who selection, and a Tri-Hi-Y member. Pat is a cross-country runner on the Western Hills track team.

LEFT: Freshman Beth Carson escorts favorite Pat Odell to background music "Color My World" during the dance.

Seniors Awarded National Merit Scholarships

ABOVE: National Merit Scholarship Finalists Al Hoffman, Greg Walker, Suzette Greenlee and Doug Traster discuss the advantages of the National Scholarship program.

"Responsibility and the world of studies go hand in hand" should be the motto of National Merit Scholarship Finalists Suzette Greenlee, Al Hoffman, Doug Traster, and Greg Walker. The four seniors were also named to the All American Who's Who and the National Honor Society.

Suzette Greenlee hopes to receive a National Merit Scholarship to Trinity University in San Antonio. She plans to major in Spanish and Business Administration.

Al Hoffman has high hopes for a scholarship to TCU where he will major in computer science and math.

Looking forward to attending Texas A&M is Greg Walker. Greg plans to major in geophysics.

A tuitional scholarship has been awarded to Doug Traster by Rice University in Houston. Doug plans to major in math and physics.

Class, City Leaders Are Representatives

Senior Class Officers are Bruce Williams, vice-president; Marty Montgomery, secretary; Steve Capper, president.

Area Student Council Representatives are Coke Smith, Tommye Hutson, Lon Burnam, Kathy Hurren, Dan Burnam and Bruce Williams.

Freshmen, B-Team Appreciate Effort of Team

RIGHT: Victory for the Freshman cagers over Northside is reflected in the face of Sylvia Komatsu.
BELOW: Freshman cheerleaders were limited as to practice time for their cheers; but, like Beth Carson all came through with flying colors, namely green and gold.

ABOVE: Freshman cheerleaders Sylvia Komatus, Yolanda Rasmussen, Beth Carson, and Janet Johnson lead the well-known cheer "Well No!"

Freshman cheerleaders were properly introduced to the Cougar spirit after having been elected in the fall of this year. Sylvia Komatsu, Beth Carson, Janet Johnson, and Yolanda Rassmussen encouraged support for the freshman athletes.

True Cougar spirit is reflected in the 1970-71 B-Team cheerleaders. Celia Bennett, Sheri New, Beth Pearson, and Cindy Smith attended the cheerleading seminar at SMU this past summer, after having been elected in the spring of last year.

UPPER LEFT: Cindy Smith, Celia Bennett, Beth Pearson, and Sheri New lead yells at the Dunbar game.

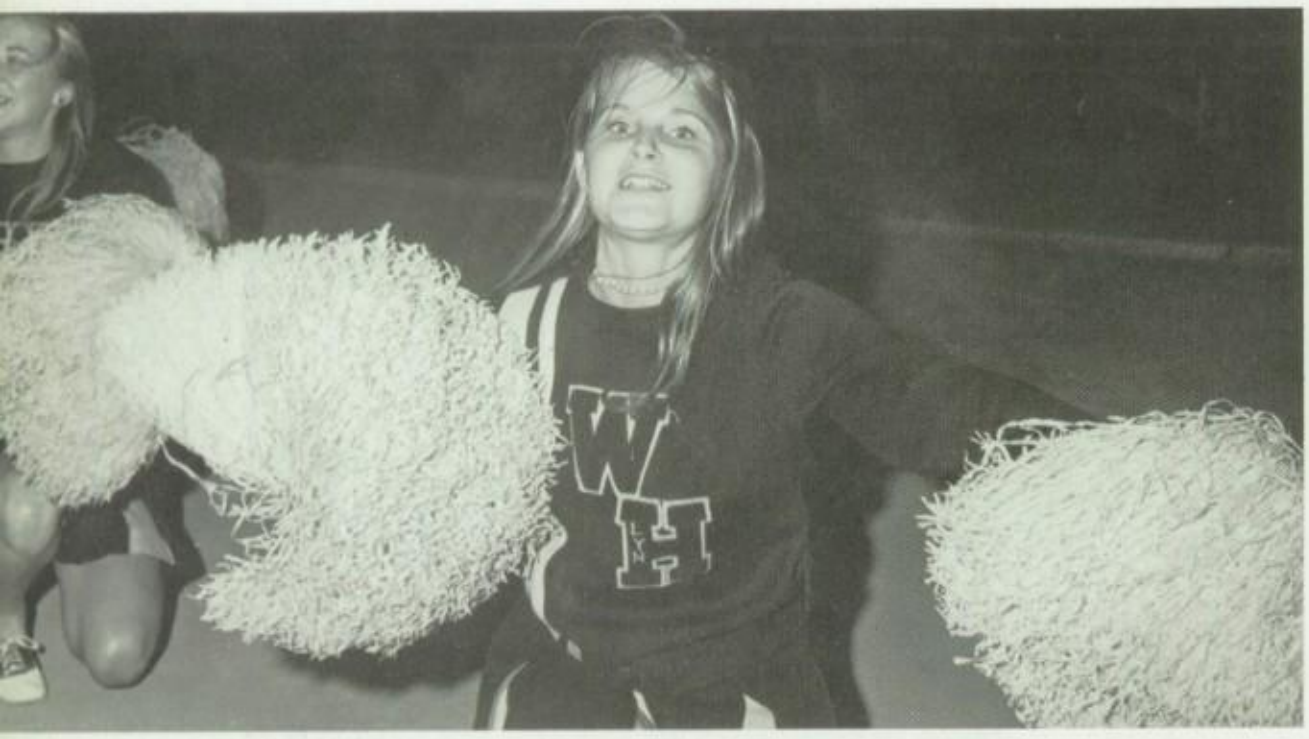
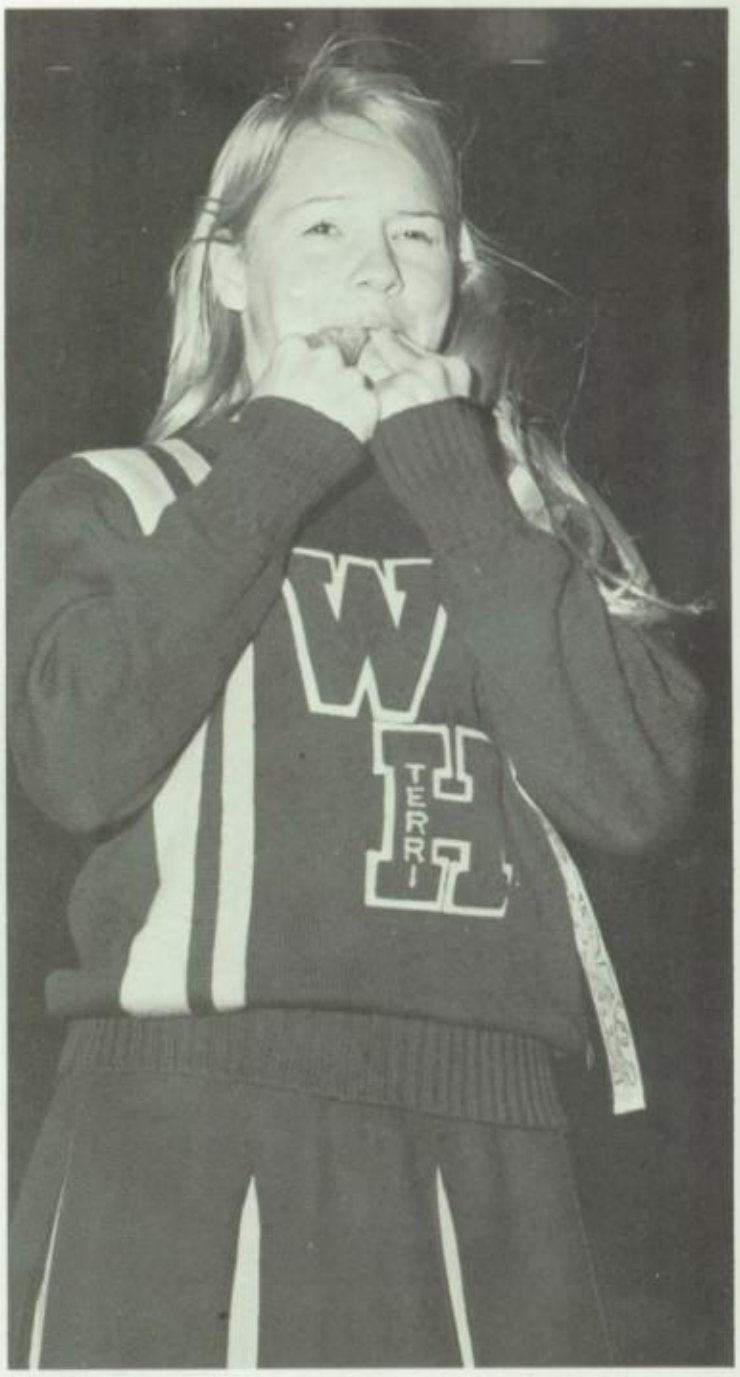
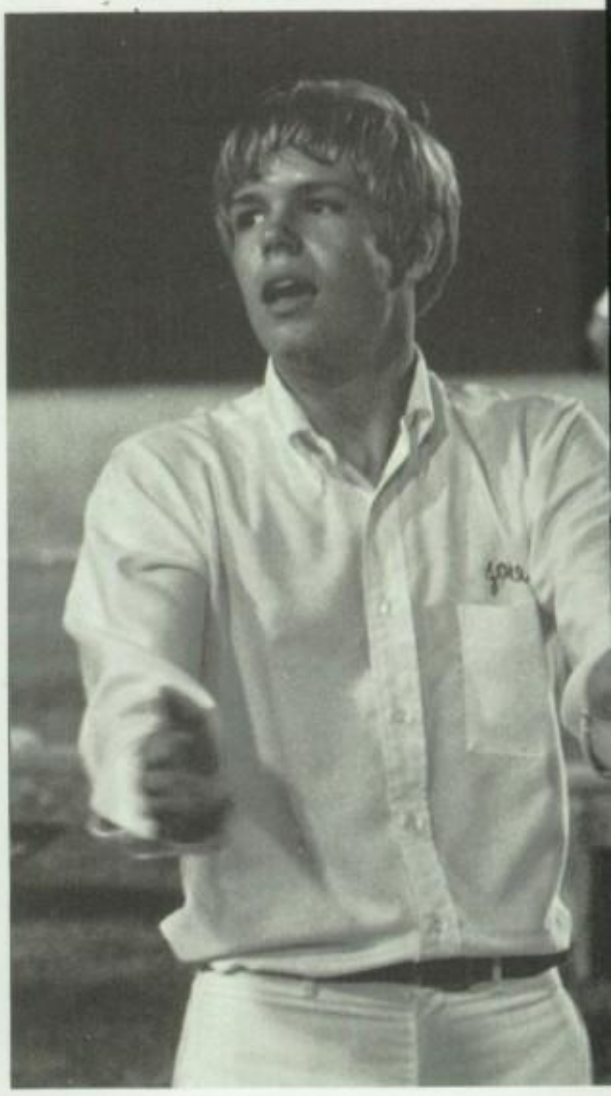
Cheerleaders Are Responsible for Tradition

The 1970-71 Varsity cheerleaders tackled with great energy the task of carrying on a famous Western Hills tradition. Outstanding spirit has been characteristic of WHHS since its inception. Seniors Jill Becker, Lindi Caple, Jake DeKoker, and Terri Taylor, and Juniors Jean Allie, Lynn Harper, Dana Hazel, and Lyn Johnson successfully executed their duty. New this year was Spirit Week which was organized to support the basketball teams.







UPPER RIGHT: (left to right) Dana Hazel, Lynn Harper, Lindi Caple, Jill Becker, Jake DeKoker, Terri Taylor, Lyn Johnson, and Jean Allie composed the cheerleading team. The other photographs capture the many faces of our cheerleaders at games this year.
